AGENDA ITEM
November 21, 2017

SUBMITTED BY: Human Services Agency – Sanja Bugay/Hal Hunter/Shannon Tolbert
SUBJECT: AMENDMENT TO AGREEMENT WITH CHAMPIONS FOR THE WHOLE PERSON CARE PILOT PROGRAM

SUMMARY:

Overview:

The Human Services Agency (HSA) is requesting approval to amend the current agreement (Board Agreement No. #17-087) with Champions to enable Kings Area Resources and Enhanced Linkages (KARELink) staff hired through this contractor access to vehicles purchased through the Whole Person Care (WPC) Pilot Program.

Recommendation:

Authorize the Chairman to sign an amendment to Board Agreement Number #17-087 with Champions to allow staff hired for KARELink to have access to county owned vehicles.

Fiscal Impact:

There will be no fiscal impact with this amendment.

BACKGROUND:

On August 15, 2017, the Board approved the agreement with Champions in relation to the WPC Pilot Program (Board Agreement No. #17-087). The original agreement does not include verbiage indicating liability when a contracted worker is driving a county purchased car through the WPC Pilot Program. The amendment will clearly distinguish liability in case of any accident for damage and/or injury in that the insurance for a contracted worker through their employer would be the primary insurance for any/all liability in connection to actions of the driver.

The agreement has been reviewed and approved by County Counsel.

BOARD ACTION :

I hereby certify that the above order was passed and adopted

**FIRST AMENDMENT TO AGREEMENT BETWEEN
COUNTY OF KINGS AND CHAMPIONS**

This first amendment to that Agreement commencing on August 15, 2017, (“Amendment I”) is made on the 1st day of November 14, 2017, by and between the County of Kings (“County”) and Champions Recovery Alternative Program, Inc. (“Contractor”) upon the following terms and conditions:

RECITALS

WHEREAS, the County and Contractor entered into that certain Agreement numbered 17-087 and commencing on August 15, 2017, for services to meet outcomes for the Whole Person Care Pilot; and

WHEREAS, as set forth in section 6 Changes and Amendments, the Parties may modify the Agreement by a signed, written document; and

WHEREAS, the Parties intend to modify this Agreement to reflect changes in section 10 Insurance._____.

NOW, THEREFORE, the Parties agree as follows:

1. Section 10 Insurance shall be amended as follows:

10. INSURANCE

A. Insurance Amounts.

Without limiting County’s right to obtain indemnification from Contractor or any third parties, prior to commencement of work, Contractor shall purchase and maintain the following types of insurance for minimum limits indicated during the term of this Agreement and provide a Certificate of Endorsement from Contractor's Insurance Carrier guaranteeing such coverage to the County. Such Certificate shall be mailed as set forth under Section 25, Notices. In the event Contractor fails to keep in effect at all times insurance coverage as herein provided, County may, in addition to other remedies it may have, suspend or terminate this Agreement upon the occurrence of such event.

1. Commercial General Liability. \$1,000,000 per occurrence and \$2,000,000 annual aggregate covering bodily injury, personal injury, and property damage. County and its officers, employees, and agents shall be endorsed to above policies as additional insured, using ISO form CG 20 26, or an alternate form that is at least as broad as form CG 20 26, as to any liability arising from the performance of this Agreement.

2. Automobile Liability. Comprehensive Automobile Liability Insurance with limits for bodily injury of not less than Two Hundred Fifty Thousand Dollars (\$250,000) per person, Five Hundred Thousand Dollars (\$500,000) per accident, and for property damages not less than Fifty Thousand Dollars (\$50,000), or such coverage with a combined single limit of Five Hundred Thousand Dollars (\$500,000). Coverage should include owned and non-owned vehicles used in connection with this Agreement.

3. Workers Compensation. Statutory coverage, if and as required according to the California Labor Code, including Employers' Liability limits of \$1,000,000 per accident. The policy shall be endorsed to waive the insurer's subrogation rights against County.

4. Professional Liability. \$1,000,000 limit per occurrence and \$2,000,000 annual aggregate limit covering Contractor's wrongful acts, errors and omissions.

B. Insurance Conditions.

1. Insurance is to be placed with admitted insurers rated by A.M. Best Co. as A:VII or higher. Lower rated, or approved but not admitted insurers, may be accepted if prior approval is given by County's Risk Manager.

2. Each of the above required policies shall be endorsed to provide County with thirty (30) days prior written notice of cancellation. County is not liable for the payment of premiums or assessments on the policy. No cancellation provisions in the insurance policy shall be construed in derogation of the continuing duty of Contractor to furnish insurance during the term of this Agreement.

3. Each of Contractor's policies shall be primary to any insurance maintained by County. Contractor hereby waives any and all subrogation rights as against County.

2. The recitals are an integral part of this Amendment and are incorporated herein.

3. All other terms and conditions of the Agreement shall remain in full force and effect.

IN WITNESS WHEREOF, the Parties have caused this Amendment I to Agreement to be executed on the day and year as provided above.

SUBJECT: QUITCLAIM DEED CERTIFICATE OF ACCEPTANCE FOR THE 13TH
AVENUE & LACEY BOULEVARD SIGNALIZATION & BRIDGE WIDENING
PROJECT

SUMMARY:

Overview:

The County Public Works Department is currently managing the construction of a traffic signal at the intersection of 13th Avenue and Lacey Boulevard. In order to release escrow funds to the property owner for Right of Way acquired by the County from APN: 011-010-001, the County must accept the Quitclaim Deed submitted by Trinity Farms which has an easement on said parcel.

Recommendation:

Authorize the Chairman of the Board to sign the certificate of acceptance for the quitclaim deed regarding APN: 011-010-001.

Fiscal Impact:

No fiscal impact.

BACKGROUND:

The County Public Works Department, based on a 2005 traffic volume and accident study at 13th Avenue and Lacey Boulevard, concluded that a traffic signal was warranted. An all-way stop has been in place since 2007 as an interim measure to improve safety until a signal could be designed and constructed. Construction began on October 9, 2017 and is expected to be complete mid-February of 2018. The quitclaim deed certificate of acceptance has been reviewed and approved to form by County Counsel.

AGENDA ITEM November 21, 2017

SUBMITTED BY: County Counsel – Colleen Carlson/ Julianne Phillips
SUBJECT: CONSIDER AN ORDINANCE REGULATING THE EXPORT OF
GROUNDWATER

SUMMARY:

Overview:

The proposed ordinance will create a discretionary permitting process and reporting process for groundwater exports. The proposed ordinance will add a new chapter to section 14 of the Kings County Code of Ordinances.

Recommendation:

Introduce and waive the first reading of the proposed ordinance to be added to section 14 of the Kings County Code of Ordinances.

Fiscal Impact:

Approval of this ordinance will require staff to undergo a fee study to determine the appropriate cost of a permit. The fee study would be absorbed by existing staff and the study will determine whether additional costs would result for the county.

BACKGROUND:

On October 10, 2017 the Board of Supervisors directed staff to return with a groundwater export ordinance for the Board’s consideration.

Kings County overlies five different groundwater subbasins, Kaweah, Kings, Pleasant Valley, Tulare Lake and Westside. The Department of Water Resources has designated the five subbasins that underlie Kings County as high priority basins with the exception of the southern half of Pleasant Valley. Groundwater is a critical resource in Kings County for agricultural, domestic, and municipal uses.

Agenda Item

CONSIDER AN ORDINANCE REGULATING THE EXPORT OF GROUNDWATER

November 21, 2017

Page 2 of 2

The proposed ordinance was drafted to protect the County's resources for the benefit of Kings County. The proposed ordinance will create a discretionary permitting process for any export of groundwater with specific, defined findings that need to be made for the issuance of such a permit.

The proposed ordinance also contains the procedures for obtaining a permit and also an appeal process if an appeal is sought by an applicant. The proposed ordinance also provides for notice and referral requirements of exports as a necessary means of coordination between the County as a land use planning agency and local Groundwater Sustainability Agencies to ensure that any project is coordinated with local Groundwater Sustainability Plans.

Because this is a new ordinance, it will require two public readings with one being on this date and the next reading and possible adoption at the next regularly scheduled meeting of the County of Kings Board of Supervisors on December 5, 2017.

2017-7-241[153499]

AN ORDINANCE REGULATING THE EXPORTATION OF GROUNDWATER

The Board of Supervisors of the County of Kings, State of California, ordains as follows:

Section 1. That Chapter 14C of the County Code be added as follows.

14C-1. - Findings and Declarations.

The Board finds and declares as follows:

(a) The groundwater underlying the County has historically provided the people and lands of the County with water for agricultural, domestic, municipal and other purposes.

(b) The primary industry in the County is agriculture, and the gross value of all agricultural crops and products produced during 2016 in Kings County was \$2,002,192,000.

(c) According to Bulletin 118, the following five groundwater sub-basins (or portions thereof) underlie the County: Tulare Lake, Kings, Westside, Kaweah and Pleasant Valley.

(d) As part of the California Statewide Groundwater Elevation Monitoring Program, set forth in California Water Code section 10920 *et seq.*, the California Department of Water Resources identified a number of groundwater basins within the County as high or medium priority basins in 2014, including the five-sub-basins that underlies the County, except the southern half of Pleasant Valley.

(e) As part of the County's effort to create a Resource Management System, it will develop an oversight and permit process for the extraction of groundwater from Kings County that is used outside of Kings County.

(f) No groundwater basins (or portions thereof) within the County have been or are in the process of being adjudicated.

(g) The County is subject to cyclical droughts, declining groundwater levels, degradation of groundwater quality, a limited availability of surface water supplies, and subsidence.

(h) Areas of the County have access to limited groundwater supplies.

(i) Some urban and community areas of the County are entirely dependent on groundwater.

(j) During dry months and extended drought conditions, some communities within the County are left with insufficient water supplies for domestic wells, outdoor irrigation and fire flow protection.

(k) The U.S. Department of Agriculture, the Governor of California, and the Board have recognized the detrimental impact of drought conditions on the County. On January 15, 2014, the U.S. Department of Agriculture designated twenty seven counties in California, including the County, as primary natural disaster areas due to the recent drought, and on January 17, 2014, the Governor of California declared that a state of emergency exists in the State of California due to current drought conditions. On May 8, 2014, the Board proclaimed an emergency due to drought through Proclamation 14-01, which was renewed every month thereafter until it was terminated on August 8, 2017

(l) The groundwater of the County will continue to be a vital part of future water use in the County.

(m) California courts have recognized and upheld the authority of counties, through their police powers, to regulate the use of groundwater.

(n) In the statewide groundwater legislation approved by the Governor on September 16, 2014, commonly referred to as the Sustainable Groundwater Management Act, the State Legislature declared its intent to recognize and preserve the authority of counties to manage groundwater pursuant to their police powers.

(o) The export of groundwater could have significant environmental impacts on groundwater resources within the County, including but not limited to increased lowering of groundwater levels; uncontrolled movement of contaminated groundwater; uncontrolled movement of inferior quality groundwater; and land subsidence.

(p) Based on the foregoing facts, it is essential for the protection of the health, welfare, and safety of the residents of the County, and the public benefit of the state, that immediate action be taken to ensure that the groundwater resources of the County be protected from harm resulting from the exportation of groundwater.

(q) This chapter requires a permit for the export of groundwater and is not intended to regulate groundwater in any other way.

(r) In adopting and codifying this chapter, the Board does not intend to limit other authorized means of managing the County's groundwater and intends to work with other affected local agencies to develop groundwater sustainability plans to implement prudent water management practices within the groundwater basins within the County.

14C-2. - Definitions.

As used in this chapter:

- (a) "Board" means the Board of Supervisors of the County of Kings.

- (c) "County" means the County of Kings.
- (d) "Contiguous parcels" means parcels which abut, adjoin or otherwise touch each other at more than one point along a common boundary or which do so except for separation by a strip of land over which some person or entity, other than the owner of the parcels, has some property interest, including fee title or some lesser interest, such as a leasehold or easement. Examples of such strips of land include, but are not limited to, roads, streets, utility easements, railroad rights-of-way, canals and drainage channels.
- (e) "Department" means the County Community Development Agency.

14C-3. - Permit Required for Exportation of groundwater.

Unless otherwise exempt, no person shall export groundwater without first obtaining a permit as provided in this chapter.

14C-4. - Exemptions.

Any person or agency claiming an exemption per this section must still turn in a project description to the Community Development Agency for informational purposes.

This chapter shall not apply to the export of groundwater in the following circumstances:

- (a) To prevent the flood of lands;
- (b) To prevent the saturation of the root zone for agricultural land;
- (c) Movement of groundwater within the boundaries or service area of a single local water agency;

(d) Export of groundwater for agricultural use that is consistent with historical practice within a parcel or between contiguous parcels having the same owner, the same lessee or the same controlling entity in existence on the effective date of this chapter;

(e) Movement of contaminated groundwater required by compliance orders issued by local, state or federal agencies that is pumped and treated to remove contaminants that are in violation of the standards for beneficial use. The extracted and treated water may be exported without a permit if the release complies with discharge permits issued by the local, state or federal resource agencies.

14C-5. - Application for an Export Permit.

(a) An application for an export permit shall be filed with the Department on a form specified by the Director, which shall include all information specifically requested thereon and other information required by the Director to address specific aspects of the proposed groundwater export. Information to support the findings listed in Section 14C-7 must be provided in order for the Director to deem the application complete. Concurrently, the applicant shall consent to the commencement and financing of appropriate environmental review as may be required under the California Environmental Quality Act (California Public Resources Code section 21000, *et seq.*) and applicable guidelines. The application for an export permit and required environmental review shall be accompanied by the deposit of fees for these purposes, as established by Board resolution.

14C-6. - Procedures for Processing.

(a) Within thirty calendar days of filing the export permit application and the deposit of required fees, and determination by the Director that the application is complete, the Director shall post a notice on the Department's website that an application has been filed. The Director shall send a copy of the application to all local water agencies which own or include land overlying or immediately adjacent to the location of the proposed export, to the Groundwater Sustainability Agency(ies) that the project is located within, and to any relevant advisory committees to the Board, including, without limitation, the Ag Advisory Committee and the Kings County Water Commission, with a request for comment on the application. A notice to any interested party who has made written request to the Director for such notice within the last twelve calendar months shall also be sent. Such notice shall provide recipients the opportunity to submit written comments on the application. Notice of the application and the opportunity to provide written comments shall also be included on the Board's agenda.

(b) As determined in the judgment of the Director, the Director shall review the application with potentially affected County departments, with the staff of applicable state and federal agencies, with local water agencies and with any potentially affected party. In reviewing the application, the Director shall consider any relevant groundwater management plan, including, without limitation, any groundwater management plan

adopted pursuant to California Water Code section 10750 *et seq.*, or Section 10720 *et seq.*, or any other relevant information provided by the applicant.

(c) Upon completion of the export permit application review process, a public hearing before the Director on the export permit application shall be noticed and conducted as follows:

(1) Notice of hearing. Notice of public hearing shall be given as provided in Government Code sections 65090 and 65091, except as follows:

a. Content of notice. In addition to the information required by Government Code section 65094, the notice shall declare that the application will be acted on without a public hearing if no request for a hearing is made in compliance with subsection (c)(2) of this Section 14C-6.

b. Method of notice distribution. Notice of public hearings shall be given as provided by Government Code sections 65090 and 65091.

c. Additional notice provided. The public notice shall include mailed notice to all owners of property located within a one mile radius of the exterior boundaries of the well site from which the export is to occur.

(2) Public hearing. A public hearing on an export permit shall occur only when a hearing is requested by the applicant or other interested person(s). This request shall be made in writing to the Director no later than seven calendar days after the date of the public notice provided in compliance with subsection (c)(1) of this Section 14C-6. In the event that a public hearing is required, the export permit application shall be scheduled for a hearing on the date and time as defined in the public notice. Any person may provide written comments relevant to the impact of the exportation of groundwater on the groundwater resources within the County. The hearing shall be conducted under such rules as set by the Director.

(3) Final decisions on export permit applications. After the conclusion of public testimony in the case of a public hearing, or after the time period within which a hearing may be requested under subsection (c)(2) of this Section 14C-6. If no hearing is requested, the Director shall:

a. Announce his or her decision on the export permit application;

b. Announce that his or her decision is final unless appealed pursuant to Section 14C-6(d).

Notwithstanding the foregoing, the Director may continue the hearing to a date certain to provide additional time to evaluate information obtained at the hearing prior to a final decision.

(d) The Director's decision may be appealed to the Board consistent with Section 14C-10.

(e) Notice of the Director's decision shall be mailed within five calendar days of final decision to the person that has applied for the permit, any person who requested a hearing, and all other persons or entities referred to in Section 14C-6(a).

14C-7. - Findings Required for Export Permit Approval.

(a) An export permit shall be approved only if the Director finds that the proposed export will not cause or contribute to significant detrimental impacts to groundwater resources within the County or on the groundwater basin from which the groundwater is exported by finding that:

(1) The proposed export will not adversely affect the long-term ability for storage or transmission of groundwater within the groundwater basin from which the groundwater is exported;

(2) The proposed export will not (together with other extractions) result in chronic lowering of groundwater levels and will not result in well interference with wells owned or relied upon by others or create a cone of depression that extends beyond the applicant's land or otherwise operate to the injury of the reasonable and beneficial uses of overlying groundwater users;

(3) The proposed export will not result in, expand or significantly exacerbate groundwater quality degradation;

(4) The proposed export will not result in injury to a water replenishment or recharge, storage, restoration or conveyance project;

(5) The proposed export will not result in, expand or significantly exacerbate land subsidence;

(6) The proposed export will not result in, expand, or significantly exacerbate depletions of interconnected surface water;

(7) The proposed export will not otherwise be detrimental to the environment or to the health, safety and welfare of property owners overlying or in the vicinity of the proposed exportation site;

(8) The proposed export is consistent with the Groundwater Sustainability Plan for the subbasin in which the project is proposed; and

(9) The proposed export will not adversely impact the ability of adjacent subbasins to reach state mandated sustainability goals; nor be inconsistent with intrabasin coordination agreements.

14C-8. - Conditions of Export Permit Approval.

If the export permit is to be approved, the Director shall impose appropriate conditions of permit issuance so as to prohibit and prevent any significant detrimental impacts to groundwater resources within the County described in Section 14C-7 or other adverse conditions and may impose other conditions that the Director deems necessary to promote or maintain the health, safety and welfare of the people of the County. The Director shall incorporate into each export permit a monitoring and/or reporting program. The monitoring and/or reporting program shall be of such scope and extent as the Director finds to be necessary to ensure that the proposed export will not cause or contribute to any significant detrimental impacts on groundwater resources within the County. Such a monitoring and/or reporting program may include, but shall not be limited to, amounts of groundwater pumped, monitoring metering of wells, monitoring of groundwater levels and monitoring of vegetation and wildlife.

14C-9. - Reapplication after Director Denial.

Reapplication for an export permit which has been denied by the Director may not be filed with the Director until the following water year and must be accompanied with information that demonstrates a significant change in circumstances from those which caused the denial of the previous export permit application.

14C-10. - Appeal of Director Action.

(a) The applicant or any interested party may appeal a decision of the Director by filing a written request with the Clerk of the Board within fifteen calendar days of issuance of the Director's decision. Any such appeal shall specifically set forth the procedural and substantive reasons for the appeal or be deemed incomplete and ineffectual. The Clerk shall set a Board hearing within thirty calendar days of receipt of a complete request for appeal which shall be heard within ninety calendar days of notice thereof. Written notice of appeal shall be given to the Director, the permit applicant, the appellant, and all other parties identified in subsection (a) of Section 14C-6., and the appeal hearing shall be published pursuant to Government Code section 6061.

(b) The Board shall hear the appeal de novo except where the appeal is confined to a condition imposed by the Director in which event the hearing and the decision of the Board shall relate only to such condition. The appeal before the Board shall be conducted under such rules as set by the Board. At its discretion, the Board may

impose conditions for approval as it finds necessary to protect the interests of the County and its citizens. The decision of the Board shall be final.

14C-11. - Review of Export Permit.

The permit granted pursuant to this chapter shall be subject to periodic staff review in consultation with the permittee. In the event that the Department determines that a material violation of the conditions of the permit has occurred, the permittee shall immediately bring itself into compliance. A determination of violation shall be in writing and include specific findings in support of the decision. A determination of violation may be appealed to the Board by the permittee using the appeal process as described in Section 14C-10.

14C-12. - Export Permit Term.

Approved permits shall be valid for a term, as determined by the Director, not to exceed one year from the date of issuance of the export permit. If a permittee presents information demonstrating that there has been no significant change in circumstances from those which caused the approval of the previous export permit application, the export permit may be renewed by the Director for a term, as determined by the Director, not to exceed one year from the date of issuance of the renewed export permit. The permittee shall submit the written request for the renewal to the Director at least ninety (90) calendar days prior to the export permit expiration date along with information as requested by the Director and with the deposit of fees for these purposes, as established by Board resolution. The Director shall consider the request for renewal in accordance with the procedures set forth in Sections 14C-5 through 14C-8. The permittee or any interested party may appeal the decision of the Director in the manner described in Section 14C-10. The Director may renew a permit an unlimited number of times following the procedures contained herein for each renewal.

14C-13. – Monitoring.

(a) The County reserves the right to periodically monitor groundwater levels using the most effective method available at the discretion of the County.

(b) The County strongly encourages landowners to retain any relevant information regarding groundwater pumping including meter records and electricity records. Failure to maintain such records may result in an automatic determination of violation of this chapter.

14C-14. - Inspection.

After providing written notice to the permittee, the Director, with good cause may at any reasonable time enter any and all places, property, enclosures and structures, for

the purpose of making examinations and investigations to determine whether any provision of this chapter or an approved permit is being violated.

14C-15. - Notice of Violation.

Upon receiving knowledge of an alleged violation of this chapter, the County will provide written notice of the alleged violation to the violating party. The notice shall detail the alleged violation and require the violating party to cease and desist immediately upon receipt of such notice from the alleged violating activities or within five working days prove to the County, by meeting with the Director, that the alleged violating activities, in fact, do not violate this chapter, or that there are mitigating reasons surrounding the alleged violating activities. No civil fines, as set forth in Section 14C-15., shall accrue during the notice process. The notice shall also include details of the potential penalties for violations of this chapter.

14C-16. - Penalty for Violation.

If, within five working days, after receipt of a notice issued in accordance with Section 14C-14, the violating party has not complied with Section 14C-14, the County may elect to proceed with any or all of the following remedies for violation of this chapter.

(a) A civil action against the violator, including injunctive relief;

(b) A civil action against the violator, including a fine of up to five thousand dollars for each separate violation. This fine may, in the discretion of the Director, increase to up to \$10,000 per day in the event of repeat violators. A person or entity shall be deemed to have committed a separate violation for each and every day or portion thereof during which any such violation is committed, continued or permitted as well as for each and every separate groundwater well within which any such violations are committed, continues or permitted;

(c) Administrative process per Chapter 1A of the Kings County Code of Ordinances;

(d) Require a meter and mandatory reporting.

14C-17. - Limitation of Permit.

Nothing contained in this chapter or in the conditions of an issued permit shall be construed as giving the permittee an exclusive right to groundwater extraction. SUBJECT: AGREEMENT FOR COUNTY FIRE SERVICES WITH THE CITY OF AVENAL

SUMMARY:

Overview:

On June 30, 2017, the most recent agreement for fire services with the City of Avenal expired. The County and the City of Avenal have entered into a new agreement for fire services. If approved, the new agreement will expire on June 30, 2018.

Recommendation:

Authorize the Chairman to sign the agreement for fire services with the City of Avenal and authorize the Clerk of the Board to sign the budget appropriation and transfer form. (4/5 vote required)

Fiscal Impact:

The City of Avenal will pay the Kings County Fire Department \$290,000 which is to be deposited into Fund 1200, Budget Unit 241000, Account 81540010: Cities – City of Avenal.

BACKGROUND:

The Kings County Fire Department has provided fire and emergency services to the City of Avenal for many years. The County and the City entered into an agreement that would formalize each agency's responsibility. Over the past several years, the Agreement for Fire Services between the City and the County has been as follows: FY 12/13 - \$280,000, FY 13/14 - \$280,000, FY 14/15 - \$290,000, FY 15/16 - \$270,000, and FY 16/17 - \$270,000. Since June 2017, the County and the City have been in negotiations to reach an agreement for fire services for the current fiscal year. In an effort to assist with increased costs of fire services, the County and the City have agreed to a one-year, \$290,000 agreement, which is a \$20,000 increase from FY 16/17.

Typically the agreements are multi-year but this one-year agreement was decided upon due to financial uncertainties of the City. The new agreement has been approved by County Counsel and also was approved by the City of Avenal's City Council during their October 26, 2017 meeting. Negotiations for FY 18/19 will begin in January 2018.

WITHIN THE CITY OF AVENAL

THIS AGREEMENT is made and entered into and effective this 13th day of September, 2017, by and between the County of Kings (hereinafter “County”) and the City of Avenal (hereinafter “City”), upon the following terms and conditions.

RECITALS:

1. The County and the City have for many years enjoyed a relationship whereby the County provides fire service within the incorporated areas of the City of Avenal.

2. Any prior agreement relating to fire services provided by the County to the City is mutually terminated as of the effective date of this Agreement.

3. The County and the City desire to amend the character of this relationship whereby the City provides additional compensation in order to reimburse County for the costs of providing these services.

4. In order to confirm the details of the continued relationship between and amended duties of the City and County for the provision of fire services by the County within the incorporated areas of the City of Avenal, the City and County enter into the Agreement that follows.

1. Powers and Duties of County.

A. Enforcement Responsibilities. The Fire Chief of the County of Kings shall enforce State statutes and ordinances of the City relating to fire prevention and protection, emergency medical response, rescues, hazardous materials responses, and fire investigation functions within the City’s boundaries, but only to the extent that the Fire Chief performs the same or substantially similar services in the County. The Fire Chief shall not be required to assume any other enforcement duty or function not consistent with those customarily performed by the Fire Chief under County customs, ordinances and the statutes of the State of California.

B. Resources. Except in regards to stationery supplies and forms which must be issued in the name of the City, the County shall furnish all labor, supervision, equipment, facilities, and supplies necessary to maintain a level of services meeting the minimum requirements agreed to between City and County. The County shall not reduce said level of resources and services below that which was provided during the 2016-2017 fiscal year. In all instances where special supplies, stationery, notices, forms, and the like must be issued in the name of the City, the same shall be supplied by the City at its own cost and expense. The County and the City shall retain title to the property each may

acquire to fulfill its obligations under this Agreement. Upon the termination of this Agreement, each party may dispose of its property as it sees fit.

C. Municipal Agency. For the sole purpose of performing services and functions pursuant to this Agreement, and only for the purpose of giving official status to the performance thereof, the Fire Chief of the Kings County Fire Department, and the officers, employees and volunteers of the County Fire Department, shall exercise within the City all of the powers and duties conferred upon a city fire chief and city fire department personnel, and, *subject to the limitations set forth in paragraph 1.E below*, every County officer, employee and volunteer engaged in performing any such service and function shall be deemed to be an officer, employee or volunteer of the City while performing services and functions for the City to the extent that such services and functions are within the scope of this Agreement and are municipal functions.

D. Control of Services. The rendition of such services, the standards of performance, the discipline of officers, employees and volunteers, and other matters incident to the performance of such services, and the control of personnel so employed, shall remain in the County; provided, however, that, if in the judgment of the City Manager or City Council any Fire Department officer, employee or volunteer assigned to duty under this Agreement is not satisfactory to the City, the City Manager may so notify the Fire Chief in writing and within thirty (30) days of receipt of such a written notification, the Fire Chief shall respond in writing thereto.

E. Personnel. All persons employed in the performance of such services and functions as are contemplated by this Agreement for the City shall be County employees or volunteers, and no person employed hereunder shall have any City benefit, pension, civil service, status, or right of employment.

(1) City shall not be called upon to assume any liability for the direct payment of any salaries, wages, or other compensation to any County personnel performing services hereunder for the City; County shall be solely responsible for the payment of any salaries, wages and compensation of, or indemnity for, injury or sickness arising out of said employment or volunteer relationship.

(2) City shall not be liable for compensation of or indemnity to any County officer, employee or volunteer for injury or sickness arising out of such employment.

F. Citizen Complaints. All citizen complaints from City residents regarding services provided pursuant to this Agreement shall be investigated and resolved by the County through its normal review procedures.

G. Service Reports. The City Manager shall have access to reports and other documents pertaining to the fire suppression and prevention services provided by the County within the City. Further, the Fire Chief or the Fire Chief's designated

representative upon request shall attend regular City Council meetings, and shall be prepared to respond to questions by the City Council regarding the services provided pursuant to this Agreement.

2. Consideration — City's Annual Obligation.

A. The City shall pay the amount of \$290,000 for the 2017-2018 fiscal year.

B. The City shall pay the yearly sum due in equal quarterly payments each Fiscal Year on September 30, December 31, March 31, and June 30.

3. Term of the Agreement.

The term of County's duty to provide fire services to City under this Agreement shall be one (1) year, commencing on July 1, 2017 and continuing for zero (0) successive years unless terminated by either party upon no less than six months written notice unless the termination is for cause which shall be effective immediately. Written notice of termination of this Agreement must be given to the other party by personal delivery or registered mail as provided in paragraph 5.F below.

4. Liability.

A. Indemnification. The County shall indemnify, defend and hold the City, its officers, agents and employees, harmless from loss, damage or injury to any person or property, or for reason of anything done, permitted to be done, or omitted to be done by Fire Department personnel in providing or failing to provide fire suppression and prevention services to the City or caused by the gross negligence or intentional misconduct of Fire Department personnel in providing or failing to provide fire suppression and prevention services to the City.

5. Miscellaneous Provisions.

A. Interpretation. This Agreement shall be interpreted in accordance with the laws of the State of California. It was mutually agreed and shall not be construed against the drafter. The provisions of this Agreement are severable and if any part of it is found to be unenforceable the other paragraphs shall remain in full force and effect. This Agreement contains the entire agreement between the parties hereto. The terms of this Agreement are contractual and not a mere recital. The recitals are an integral part of this Agreement and are incorporated herein.

B. Good Faith Negotiation and Attorney's Fees. The parties will use their best efforts in good faith to cooperate in fulfilling the terms of this Agreement. Should a dispute arise between the parties regarding administration of this Agreement or the services to be provided hereunder, the Administrative Officer of the County and City Manager of City, shall meet in an attempt to resolve the matter. If, however, any action

is brought to enforce or interpret the terms of this Agreement, the prevailing party shall (in addition to any other relief to which the party may obtain) be entitled to reasonable attorney's fees, as set by the Court in the same or any separate action.

C. Waiver. The waiver by any party of a breach of any provision of this contract shall not be deemed a continuing waiver or a waiver of any subsequent breach of that or any other provision of this Agreement.

D. No Third Party Beneficiary. No person or organization shall be a third party beneficiary of this Agreement.

E. No Assignment. Neither party to this Agreement may assign its rights, privileges, benefits or responsibilities hereunder to any other party without the express prior written authorization of the other party to this Agreement.

F. Notice. Any and all inquiries and notices with respect to this Agreement may be given personally, or by registered mail addressed to County or City at the following address:

City of Avenal
919 Skyline Blvd.

Either party may change the address to which the notices shall be sent by advising the other party in writing of the change. Nothing herein shall preclude the giving of any notice by personal service to the other party.

G. Alterations and Modifications of Agreement. No alteration or variation of the terms of this Contract shall be valid unless made in writing and signed by the parties hereto, and no oral understanding or agreement not incorporated herein shall be binding on any of the parties hereto. Notwithstanding any of the provisions of this Agreement, the parties may hereafter, by written mutual consent, signed by both parties, agree to modification hereof or addition hereto, which are not forbidden by law.

H. Waiver of Term. No waiver of any term, condition, or covenant of this Agreement by either party shall be deemed as a waiver of any other term, condition or covenant herein contained to the strict and proper performance thereof.

I. Captions. The caption of each article of this Agreement is inserted as a matter of convenience and reference only and in no way defines, limits, or describes the scope of the Agreement or in any way affects it.

J. Copies of Agreement. This Agreement may be executed in counterparts, each of which shall be deemed a duplicate original.

6. Authority.

A. Legal Authority. Government Code Section 36501 provides that the government of a general law city shall be vested in the officers therein named and includes the designation of fire chief. Government Code Section 38611 provides that the legislative body of a general law city shall establish a fire department for the city, and that said fire department shall be under the charge of a chief who shall have had previous training and experience as a firefighter, and that the other members of said fire department shall consist of paid firefighters or such companies of call firefighters (hereinafter “volunteers”) as the legislative body may determine. Government Code Section 51301 authorizes the Board of Supervisors to contract with a city within the county and authorizes the city legislative body to contract with the county for the performance of city functions by appropriate county officers and employees. Government Code Section 51303 provides in part that: “The county officers and employees named in the contract shall exercise within the city all of the powers and duties conferred upon the city officers or employees named in the contract”.

SUBJECT: FUNDS TRANSFER REQUEST FOR A REPLACEMENT MAINFRAME SYSTEM

SUMMARY:

Overview:

The Offices of Finance and Assessor/Clerk Recorder/Registrar of Voters request your Board approve the transfer of funds from their IT Managed Contracts account to an Information Technology (IT) capital asset account for the purchase of a replacement Mainframe System.

Recommendation:

Authorize the Clerk to the Board to sign the Budget Appropriation and Transfer Form for the purchase of a replacement Mainframe System. (4/5 vote required)

Fiscal Impact:

The transfer request of \$95,000 was included in the FY 2017/2018 Adopted Budget under the Department of Finance and Assessor's budgets for the payments on the new property system. Those payments have been deferred; therefore, it is requested to transfer those monies from the IT Managed Contracts account (121000 & 152000/82314170) to the Server Asset account (195000/82440101).

BACKGROUND:

The County of Kings currently has a mainframe emulation server, which failed over Veteran's Day weekend. It was out of service for two days while IBM scrambled to find parts for the over 10 year old system. Obviously, this could have been disastrous if the County were in the middle of collecting taxes. This single system represents the biggest Single Point of Failure (SPOF) that exists in the data center.

(cont'd)

The IT Department has obtained quotes from T3 Technologies, the only known source for same equipment and service, for a replacement mainframe system, which includes a Primary and Secondary system. This removes the SPOF, which is relied upon today. This replacement mainframe system will set the County up well for the support of the Property Tax System during and after the conversion to the Thomson-Reuters system, that is scheduled to begin in July of 2019.

The mainframe system also supports two other mission critical systems in addition to the Property System. One of those critical systems is the Welfare – HSA, SAWS C-IV Payroll Processing System, which works with the SAWS C-IV System at the State and interfaces to the county eFinance system. The other critical system is the Payroll Journal Application, which processes payroll data from the PeopleSoft Payroll System, and provides journal data to the County's eFinance System.

SUBJECT: KINGS COUNTY BOARD OF SUPERVISORS SALARY ORDINANCE

SUMMARY:

Overview:

This issue presented today is a new ordinance setting the salaries of the Board of Supervisors in accordance with the 2016 salary study.

Recommendation:

1. Waive the second reading of Ordinance 685; and
2. Adopt Ordinance 685 with an effective date of the first full pay period in fiscal year 2018-2019.

Fiscal Impact:

There is no additional cost for the remainder of FY 2017/2018. The impact to the General Fund for FY 2018/2019 is approximately \$64,512.

BACKGROUND:

Your Board last authorized a change in Board Salaries in October 2014. Since that time, your Board authorized a salary study in 2016 which was completed in spring 2017. The salary study indicated that many salaries within the County are below the salaries of the other agencies in the study. Your Board has been implementing the results of the study by adjusting salaries to align with the study's median. The proposed ordinance will set the amount of Board Salaries at the median amount indicated by the 2016 salary study. As approved by your Board at the first reading, the ordinance has an effective date of the first full pay period of fiscal year 2018-2019.

The Health Department will follow the sliding fee scales required by contract, law, or regulation; for other services, a Sliding Fee Schedule (SFS) is offered for reduced fees for clinical services to eligible individuals and families. The SFS is based on the current Health and Human Services Poverty Guidelines for the 48 Contiguous States and will be updated following the publication of new guidelines.
