Lunch 11:30 a.m.

Presentation 12:00 - 1:00 p.m.

Lunch provided kindness of Adventist Health Central Valley Network

OBJECTIVES:

1. Identify some common barriers to exclusive breastfeeding (EBF) in healthy term neonates.
2. Recognize some cultural “myths” about breastfeeding.
3. Apply suggested clinical nursing implementations to their clinical settings/practice to make proper changes.

PROVIDER EDUCATION:

Provider approved by the California Board of Registered Nursing, Provider No. CEP 7603 for 1 contact hour.

MISSION STATEMENT

To promote breastfeeding as optimal nutrition in a supportive community environment where women are empowered to choose to breastfeed through consistent, accurate information from health care providers, hospitals, and other community resources.
