Thank you and Julianne Phillips for your visit on December 6, 2018. The 2018-2019 Kings County Grand Jury appreciated hearing the information regarding the distribution of water within the Tulare Lake Groundwater Sub-Basin. We were impressed with the various facets of water resources and management of those resources within the laws and regulations created by the state of California.

The 2018-2019 Kings County Grand Jury is hopeful the proposed ordinance that addresses the exporting of water is approved and implemented within the County expeditiously. This proposed ordinance is currently with the office of Kings County Counsel for review.

Sincerely,

Dick Hoffmaster
