

RESOLUTION NO. 2019 - 05

RESOLUTION OF THE BOARD OF TRUSTEES OF THE WAUKENA JOINT UNION SCHOOL DISTRICT ORDERING AN ELECTION TO AUTHORIZE THE ISSUANCE OF GENERAL OBLIGATION BONDS, ESTABLISHING SPECIFICATIONS OF THE ELECTION ORDER, AND REQUESTING CONSOLIDATION WITH OTHER ELECTIONS OCCURRING ON MARCH 3, 2020

WHEREAS, the Waukena Joint Union School District (the "District"), Tulare County and Kings County, State of California (the "State"), is committed to providing quality education to its students; and

WHEREAS, the District's facilities are in need of rehabilitation, upgrades, modernization and safety improvements in order to provide the education District students deserve in a safe and modern environment; and

WHEREAS, a local funding source is needed to enable the District to provide said facilities for its present and future students; and

WHEREAS, in the judgment of the Board of Trustees (the "Board") of the District, it is advisable to call an election to submit to the electors of the District the question of whether bonds of the District shall be issued and sold for the purpose of raising money for the acquisition and improvement of real property and the furnishing and equipping of school facilities of the District; and

WHEREAS, the Board is authorized, upon a two-thirds vote of the Board, to pursue the authorization and issuance of bonds by a 55% vote of the electorate on the question of whether bonds of the District shall be issued and sold for specified purposes, under Article XIII A Section 1 paragraph (b) of the California Constitution ("Article XIII A") and under Education Code Section 15264 *et seq.* (the "Act"); and

WHEREAS, under the Act, the election may be ordered at a primary or general election, a regularly scheduled local election, or a statewide special election; and

WHEREAS, under Section 10403 *et seq.* of the California Elections Code, it is appropriate for the Board to request consolidation of the election with any and all other elections to be held on Tuesday, March 3, 2020, the date of the statewide primary election, and to request the Registrar of Voters of Tulare County (the "County Registrar") to perform certain election services for the District; and

WHEREAS, in connection with the calling of a bond election and in accordance with Education Code Section 15100 subparagraph (c), the Board has obtained reasonable and informed projections of assessed property valuations that take into consideration projections of assessed property valuations made by the assessors of Tulare County and Kings County, respectively; and

WHEREAS, United States Income Tax Regulations section 1.150-2 provides generally that proceeds of tax-exempt debt are not deemed to be expended when such proceeds are used for reimbursement of expenditures made prior to the date of issuance

of such debt unless certain procedures are followed, one of which is a requirement that (with certain exceptions), prior to the payment of any such expenditure, the issuer declares an intention to reimburse such expenditure; and

WHEREAS, the Board wishes at this time to take the necessary actions to declare its official intent to reimburse the expenditures referenced herein from the proceeds of bonds issued pursuant to voter authorization;

NOW, THEREFORE, THE BOARD OF TRUSTEES OF THE WAUKENA JOINT UNION SCHOOL DISTRICT DOES HEREBY RESOLVE, DETERMINE AND ORDER AS FOLLOWS:

Section 1. Recitals. The foregoing recitals are true and correct.

Section 2. Call for Election. The Board hereby orders an election and submits to the electors of the District the question of whether general obligation bonds of the District shall be issued and sold in a maximum principal amount of \$1,650,000 (the "Bonds") for the purposes described in the ballot measure approved under Section 3 and attached hereto as Appendix A and Appendix B, and paying all costs incident thereto. This Resolution constitutes the order of the District to call such election and shall constitute the "specifications of the election order" pursuant to Education Code Section 5322.

Section 3. Election Date. The date of the election shall be March 3, 2020, and the District's bond election shall be held solely within the boundaries of the District.

Section 4. Purpose of Election; Ballot Measure. The purpose of the election shall be for the voters in the District to vote on a bond measure, the full text of which is attached hereto as Appendix A (the "Full Text of the Measure"), containing the question of whether the District shall issue the Bonds for the purposes stated therein, together with the accountability requirements of Article XIII A and the requirements of Section 15272 of the Act. The Full Text of the Measure, which commences with the heading "FULL TEXT OF BOND MEASURE" and includes all of the text thereafter on Appendix A, shall be printed in the voter information pamphlet provided to voters, with such measure designation as is assigned to the measure. As required by Education Code Section 5322 and Elections Code Section 13247, the abbreviated statement of the measure to appear on the ballot is attached hereto as Appendix B. The Superintendent of the District is hereby separately authorized and directed to make any changes to the text of the full text and/or abbreviated statement of the measure as described herein to conform to any requirements of Article XIII A, the Act or the County Registrar.

Section 5. Authority for Election. The authority for ordering the election is contained in Section 15264 *et. seq.* of the Act and Section 1 paragraph (b) subsection (3) of Article XIII A. The authority for the specification of this election order is contained in Section 5322 of the Education Code.

Section 6. Proceeds for School Facilities Projects. The Board certifies that the proceeds from the sale of the Bonds will be used only for the purposes specified in Section 1(b)(3) of Article XIII A and as further specified in Appendix A, and not for any other purpose, including teacher and administrator salaries and other school operating expenses. Further, as required by Article XIII A, the Board hereby certifies that it has

evaluated safety, class size and information technology needs in developing the list of school facilities projects set forth in Appendix A.

Section 7. Covenants of the Board upon Approval of the Bonds by the Electorate; Accountability Measures. As required by Article XIII A, Section 15278 of the Act, and Government Code Section 53410, in the event 55% of the voters voting in the District approve of the Bonds, the Board shall:

- (a) conduct an annual, independent performance audit to ensure that the funds have been expended only on the projects listed in Appendix A;
- (b) conduct an annual, independent financial audit of the proceeds from the sale of the Bonds until all of those proceeds have been expended for the school facilities projects listed in Appendix A;
- (c) establish and appoint members to an independent citizens' oversight committee in accordance with Sections 15278, 15280, and 15282 of the Act;
- (d) apply the Bond proceeds only to the specific purposes stated in the ballot proposition;
- (e) cause the creation of accounts into which bond proceeds shall be deposited; and
- (f) cause the preparation of an annual report pursuant to Government Code Sections 53410 and 53411.

Section 8. Statement Regarding State Matching Funds. The District anticipates that matching funds from the State of California, if available, may be required to complete a portion of the projects identified in Appendix A. As required pursuant to Education Code Section 15122.5, the following statement shall appear on the ballot: "Approval of this measure does not guarantee that the proposed project or projects that are the subject of bonds under this measure will be funded beyond the local revenues generated by this measure. The District's proposal for the project or projects described below may assume the receipt of matching state funds, which, if available, could be subject to appropriation by the Legislature or approval of a statewide bond measure."

Section 9. Delivery of this Resolution. The Clerk of the Board is hereby directed to send a copy of this Resolution to (1) the County Registrar and (2) the Clerks of the Board of Supervisors of Tulare County and Kings County, for purposes of consolidation pursuant to Elections Code Section 10403. Pursuant to Education Code Section 5322, the Resolution shall be received by the County Registrar no later than 88 days prior to the election date, unless otherwise permitted by law.

The County Registrar is hereby requested to print the full text of the ballot measure in the ballot materials as it appears on Appendix A, and to provide all required notices of the election and other notices related thereto.

Section 10. Consolidation of Election; Request to Provide Services. The County Registrar and the Tulare County and Kings County Boards of Supervisors are hereby requested to consolidate the election ordered hereby with any and all other elections to be held on March 3, 2020 within the District.

The Boards of Supervisors of Tulare County and Kings County are hereby requested to permit the County Registrar to render all services specified by Section 10418 of the Elections Code relating to the election, such services to include the publication of a formal Notice of School Bond Election and the mailing of the sample ballot and tax rate statement.

As provided in Education Code Section 5303, because the District is situated in two counties, the Tulare County elections official and the Kings County elections official shall, by mutual agreement, provide for the performance of the duties relating to the District's bond election. The District hereby agrees to reimburse each county for such services.

Section 11. Ballot Arguments. As provided in Elections Code Section 9501, any and all members of this Board are hereby authorized to act as an author of any ballot argument prepared in connection with the election, including a rebuttal argument.

Section 12. Tax Rate Statement. Pursuant to Elections Code Section 9401, a tax rate statement has been prepared in the form attached hereto as Appendix C, which form of Tax Rate Statement is hereby approved for inclusion in the sample ballot. The President of the Board, the Clerk of the Board, the Superintendent of the District, or any written designee of the foregoing, are hereby authorized to finalize and execute the tax rate statement, and to file said statement with the County Registrar, in accordance with Section 9 hereof.

Section 13. Maturity Limit of Bonds. The Bonds may be issued in series by the District from time to time, and each series of Bonds shall mature not more than the legal limit at the time of such issuance thereof. The Bonds shall be issued under the Act, under the provisions of Section 53506 *et seq.* of the California Government Code, or under any other provision of law authorizing the issuance of general obligation bonds by school districts.

Section 14. Estimates Included in Ballot Materials. The measure authorized by this Resolution includes certain information which is based upon reasonable assumptions and current expectations, which may include information with respect to the amount of money required to repay issued bonds, the estimated rate of the approved tax per \$100 of assessed valuation, and the period through which the proposed tax supporting bond repayment will be levied and collected. Any such estimates have been provided by the District in good faith based upon information currently available to the District, but depend on numerous variables which are subject to variation and change over the term of the District's overall facilities and bond financing plan. Such estimates and approximations are not intended by the Board to be additional restrictions on the District's bond program and bond issuances, and, other than the total principal amount of bonds authorized to be issued by the bond measure, shall not represent legal maximums or additional limitations on bond issuance.

Section 15. Reimbursement. The District hereby declares that it may pay certain costs of the projects listed in Appendix A prior to the date of issuance of bonds and, in such case, intends to use a portion of the proceeds of bonds for reimbursement of expenditures for the projects that are paid before the date of issuance of bonds.

Section 16. Official Actions. The President of the Board, the Clerk of the Board, the Superintendent of the District, or any written designee of the foregoing, are hereby separately authorized and directed to execute and deliver to county officials any directions, requisitions or other writings, and to make any changes to the texts of the measure as described herein and in the tax rate statement, to conform to any legal requirements or the County Registrar, in order to cause the election to be held and conducted in the District.

Section 17. Effective Date. This resolution shall take effect on and after its adoption.

* * * * *

The foregoing Resolution was adopted by the Board of Trustees of the Waukena Joint Union School District, being the Board authorized by law to make the designations therein contained, by the following vote, on November 12, 2019.

Adopted by the following votes:

Secretary to the Board

APPENDIX A

FULL TEXT OF BOND MEASURE

INTRODUCTION

The following is the abbreviated statement of the bond measure:

To repair and replace classroom facilities, including roofing, heating, air conditioning and electrical systems, and improve student health, safety, security and access, shall the Waukena Joint Union School District measure be adopted to issue \$1.65 million in bonds at legal rates with projected levies of \$30 per \$100,000 of assessed value, raising an average \$113,000 annually while bonds are outstanding, requiring citizens oversight and annual audits and no bond money spent on salaries?

BOND AUTHORIZATION

By approval of this measure by at least 55% of the registered voters voting on the measure, the Waukena Joint Union School District (the "District") will be authorized to issue and sell bonds of up to \$1.65 million in aggregate principal amount at interest rates not to exceed legal limits and to provide financing for the specific types of school facilities projects listed in the Bond Project List included below, subject to all the accountability requirements specified below.

ACCOUNTABILITY REQUIREMENTS

The provisions in this section are specifically included in this measure in order that the voters and taxpayers in the District may be assured that their money will be spent wisely. Expenditures to address specific facilities needs of the District will be in compliance with the requirements of Article XIII A, Section 1(b)(3), of the State Constitution and the Strict Accountability in Local School Construction Bonds Act of 2000 (codified at Education Code Sections 15264 and following.)

Evaluation of Needs. The Board of Trustees of the District (the "Board") has identified detailed facilities needs of the District and has determined which projects to finance from a local bond. The Board hereby certifies that it has evaluated safety, class size reduction, enrollment growth, and information technology needs in developing the Bond Project List included below.

Independent Citizens' Oversight Committee. Following approval of this measure, the Board will establish an independent citizens' oversight committee, under California Education Code Sections 15278 and following, to ensure bond proceeds are expended only on the types of school facilities projects listed below. The committee will be established within 60 days of the date when the results of the election appear in the minutes of the Board.

Performance Audits. The Board will conduct annual, independent performance audits to ensure that the bond proceeds have been expended only on the school facilities projects listed below.

Financial Audits. The Board will conduct annual, independent financial audits of the bond proceeds until all of those proceeds have been spent for the school facilities projects listed below.

Government Code Accountability Requirements. As required by Section 53410 of the Government Code, (1) the specific purpose of the bonds is set forth in this Full Text of the Measure, (2) the proceeds from the sale of the bonds will be used only for the purposes specified in this measure, and not for any other purpose, (3) the proceeds of the bonds, when and if issued, will be deposited into a building fund to be held by the Tulare County Treasurer, as required by the California Education Code, and (4) the Superintendent of the District shall cause an annual report to be filed with the Board not later than January 1 of each year, which report shall contain pertinent information regarding the amount of funds collected and expended, as well as the status of the projects listed in this measure, as required by Sections 53410 and 53411 of the Government Code.

NO TEACHER OR ADMINISTRATOR SALARIES

Proceeds from the sale of bonds authorized by this measure shall be used only for the purposes specified in Article XIII A, Section 1(b)(3), those being for the construction, reconstruction, rehabilitation, or replacement of school facilities, including the furnishing and equipping of school facilities, and the acquisition or lease of school facilities, and not for any other purpose, including teacher and administrator salaries and other school operating expenses.

STATE MATCHING FUNDS

The following statement is included in this measure pursuant to Education Code Section 15122.5: Approval of this measure does not guarantee that the proposed projects that are the subject of bonds under this measure will be funded beyond the local revenues generated by this measure. The District's proposal for the projects described below may assume the receipt of matching state funds, which, if available, could be subject to appropriation by the Legislature or approval of a statewide bond measure.

INFORMATION ABOUT ESTIMATES AND PROJECTIONS INCLUDED IN BALLOT

This measure authorizes the issuance of general obligation bonds to finance the types of projects set forth on the Bond Project List set forth below, to be repaid by tax collections for the years that bonds are outstanding. The measure presented to District voters on the ballot, as set forth above under the heading "INTRODUCTION", includes information regarding the expected approximate amount of money to be raised annually to pay issued bonds, the estimated rate of the approved tax per \$100 of assessed valuation, and the year through which it is approximated that the proposed tax will be levied and collected. Each of these estimates and approximations are provided as informational only. Such amounts are estimates only, and are not maximum amounts or limitations on the terms of the bonds or the tax rate or duration supporting repayment of bonds. The approximations and estimates provided depend on numerous variables

which are subject to variation and change over the term of the District's overall facilities and bond financing plan, including but not limited to the amount of bonds issued and outstanding at any one time, the interest rates applicable to issued bonds, market conditions at the time of sale of the bonds, when bonds mature, the timing of project needs and changes in assessed valuations in the District. As such, while such estimates and approximations have been provided based on information currently available to the District and its current expectations, such estimates and approximations are not limitations and are not binding upon the District.

BOND PROJECT LIST

Scope of Projects. Bond proceeds will be expended on the construction, reconstruction, rehabilitation, or replacement of school facilities of the District, including furnishing and equipping, and the acquisition or lease of real property for school facilities, and not for any other purpose, including teacher and administrator salaries or other school operating expenses, in compliance with California Constitution Article XIII A, Section 1(b)(3). This measure authorizes bond projects to be undertaken at all current and future District sites.

School Facility Project List. The items presented on the following list provide the types of projects authorized to be financed with voter-approved bond proceeds. Specific examples included on this list are not intended to limit the types of projects described on this list and authorized by this measure. The types of projects authorized are:

- Rehabilitate, upgrade and modernize aging classrooms, restrooms and other school facilities, including replacing and repairing roofing
- Rehabilitate and upgrade utilities, including heating, air conditioning and electrical systems, plumbing and gas lines
- Improve access to school facilities, including parking lot paving, and the improvements of play fields, sidewalks and grounds
- Improve school safety and security, including security systems and lighting
- Ensure Federal and State-mandated Americans with Disabilities Act (ADA) accessibility upgrades including, but not limited, to site access, parking access, staff and student facilities access, and drinking fountain and playground equipment accessibility
- Improve playgrounds and fields for school and community use
- Abate and remove hazardous materials identified prior or during construction (e.g. lead, asbestos, etc.)
- Perform necessary site preparation/restoration in connection with repairs or remodeling

Each of the bond projects described in this Bond Project List include the costs of furnishing and equipping such facilities, and all costs which are incidental but directly related to the types of projects described above.

Examples of incidental costs include, but are not limited to: costs of design, engineering, architect and other professional services, facilities assessments, inspections, site preparation, utilities, landscaping, construction management and other planning and permitting, legal, accounting and similar costs; independent annual financial and performance audits; a customary construction contingency; demolition and

disposal of existing structures; the costs of interim housing and storage during construction including relocation and construction costs incurred relating to interim facilities; rental or construction of storage facilities and other space on an interim basis for materials and other equipment and furnishings displaced during construction; costs of relocating facilities and equipment as needed in connection with the projects; interim classrooms and facilities for students, administrators, and school functions, including modular facilities; federal and state-mandated safety upgrades; addressing unforeseen conditions revealed by construction/modernization and other necessary improvements required to comply with existing building codes, including the Field Act; access requirements of the Americans with Disabilities Act; costs of the election; project construction oversight, management and administration during the duration of such projects, including by District personnel, and bond issuance costs.

Unforeseen conditions may arise during the course of planning, design and construction resulting in the scope and nature of any of the specific projects described above being altered by the District. In the event that the District determines that a modernization or renovation project is more economical for the District or otherwise in the District's best interests to be undertaken as new construction, this bond measure authorizes said new construction, including land acquisition, relocation, expansion and construction and/or reconstruction, and all costs relating thereto. In addition, this measure authorizes the acquisition of real property, including necessary rights of ways or other real property interests, required to expand District facilities, to provide access to school or other District facilities, or to provide additional school or related facilities. Further, authorized projects include reimbursements for project costs previously paid and paying and/or prepaying interim or previously obtained financing for the types of projects included on the project list, such as bond anticipation notes, and including payment and prepayment of lease payments relating to projects and/or equipment previously financed. Finally, projects on this list may be undertaken and used as joint use projects with other public agencies.

Approval of the District's bond measure does not guarantee that all of the identified projects within this Bond Project List will be funded beyond what can be completed with funds generated by this bond measure. The District plans to pursue funds from the State of California, if available, to complete certain of the identified facilities projects. The District is unable to anticipate all unforeseen circumstances which may prevent some of the projects listed above from being undertaken or completed.

The order in which projects are listed in the foregoing Bond Project List does not suggest an order of priority. Project prioritization is vested in and will be determined by the Board.

The Bond Project List shall be considered a part of this ballot proposition, and shall be reproduced in any official document required to contain the full statement of the bond proposition.

APPENDIX B

ABBREVIATED STATEMENT OF BOND MEASURE

“To repair and replace classroom facilities, including roofing, heating, air conditioning and electrical systems, and improve student health, safety, security and access, shall the Waukena Joint Union School District measure be adopted to issue \$1.65 million in bonds at legal rates with projected levies of \$30 per \$100,000 of assessed value, raising an average \$113,000 annually while bonds are outstanding, requiring citizens oversight and annual audits and no bond money spent on salaries?”

Bonds—Yes

Bonds—No

APPENDIX C TAX RATE STATEMENT

An election will be held in the Waukena Joint Union School District (the "District") on March 3, 2020 to authorize the sale of up to \$1.65 million in general obligation bonds. The following information is submitted in compliance with Sections 9400-9404 of the Elections Code of the State of California. Such information is based upon the best estimates and projections presently available from official sources, upon experience within the District, and other demonstrable factors.

Based upon the foregoing and projections of the District's assessed valuation, the following information is provided:

1. The best estimate of the average annual tax rate that would be required to fund this bond issue over the entire duration of the bond debt service, based on estimated assessed valuations available at the time of filing of this statement, is 3¢ per \$100 (\$30 per \$100,000) of assessed valuation. It is currently expected that the tax will be collected until fiscal year 2048-49.

2. The best estimate of the highest tax rate that would be required to fund this bond issue, based on estimated assessed valuations available at the time of filing this statement, is 3¢ per \$100 (\$30 per \$100,000) of assessed valuation. This rate is projected to apply in each fiscal year that the bonds are outstanding.

3. The best estimate of total debt service, including principal and interest, that would be required to be repaid if all the bonds are issued and sold will be approximately \$3,276,265.

Voters should note that these estimates are based on projections derived from information obtained from official sources, and are based on the assessed value (not market value) of taxable property on the official tax rolls of Tulare County and Kings County, respectively. In addition, taxpayers eligible for a property tax exemption, such as the homeowner's exemption, will be taxed at a lower effective tax rate than described above. Property owners should consult their own property tax bills and tax advisors to determine their property's assessed value and any applicable tax exemptions.

The attention of all voters is directed to the fact that the foregoing information is based upon projections and estimates only, which amounts are not maximum amounts and durations and are not binding upon the District. The actual debt service, tax rates and the years in which they will apply may vary depending on the timing of bond sales, the par amount of bonds sold at each sale and actual increases in assessed valuations. The timing of the bond sales and the amount of bonds sold at any given time will be determined by the District based on the need for project funds and other considerations. Actual assessed valuations will depend upon the amount and value of taxable property within the District as determined by the assessors of Tulare County and Kings County, respectively, in the annual assessment and the equalization process. The growth or decline in assessed valuation is the result of a number of economic and other factors outside the control of the District.
