

**KINGS COUNTY  
STATE OF CALIFORNIA  
2019  
APPLICATION FOR  
NOTICE OF NON-RENEWAL OR PARTIAL NON-RENEWAL OF  
LAND CONSERVATION CONTRACT**

1. **Notice of Non-renewal** - In order to terminate the yearly renewal of the contract, a written notice of non-renewal may be served either by the property owner or the Board of Supervisors. If served by the property owner, this notice must be filed with the Community Development Agency by September 30th if it is to take effect by the renewal date of January 1st. If the Board adopts provisions of Assembly Bill 1265 Section 51244 (b) of the *Government Code*, then the deadline for filing a Notice of Non-renewal shall be extended 60 days from the date of the Board's final adoption hearing. The extended deadline for calendar year 2019 is February 1, 2020. The contract then does not renew itself and begins to phase out of the Agricultural Preserve Program over a ten year period with the application year considered the first year. The property owner should be aware that the tax assessment of their property will gradually be increased over the next ten years with the property taxes increasing back to an amount equal with what would normally be assessed if the property had not been placed in Agriculture Preserve. Our Agency does not determine this assessed value, and applicants are encouraged to contact the Kings County Assessor's Office ((559) 852-2486) for more details on the potential property tax changes. (*Example: WLM non-renewal is filed 9/30/2009 would expire 1/1/2019*)

General Information:

The following table lists the general requirements for filing a Notice of Non-renewal under the County's Agricultural Preserve Program for Williamson Act (9 Year) or Farmland Security Zone (18 Year) Contracts in Kings County and is intended for use as a guide for preparing the notice.

Procedure:

After filing a "complete" application with the Community Development Agency on or before **February 1, 2020 deadline**, the matter is scheduled for the Board of Supervisors under CONSENT. No public hearing is required. Once the Board has approved the notice, a copy of the notice will be mailed to the property owner(s) for the signature and must include signatures of all legal property owners. If the ownership is under Trust, the authorized "Trustee" must be identified for signature. If the ownership is a Corporation or other company type ownership, the authorized representative must be identified for signature. **This notice must be signed, notarized and returned to the Community Development Agency for our Agency to complete the recording.** The Assessor is automatically notified of any recorded non-renewal of either Williamson Act or Farmland Security Zone Contracts. Please note that a "Notary Statement" must also be attached to verify property owner signatures, and needs to be prepared in accordance with current State Laws. These statements have been rejected in

the past by the County Recorders Office for even minor omissions like not having a Notary's title added in their statement.

APPLICATION DEADLINE: On or before **February 1, 2020**. Applications received after this date will be considered a 2020 application.

APPLICATION REQUIREMENTS: A complete Non-Renewal Application Form must include all relevant Assessor Parcel Numbers, Acreage, ownership and contact information for the non-renewal property. The application must also be signed by the property owner or authorized agent. In addition, a **Legal Description Exhibit** must be prepared and attached for inclusion with the final Non-Renewal document. Photo copies or handwritten legals will not be accepted. It is strongly recommended that this legal description be prepared by a Licensed Surveyor or Civil Engineer to ensure accuracy of the property description. Non-renewal applications are accepted all year but must be received before 5 p.m. on February 1, 2020 in order to qualify for the 2019 year's assessment and receive credit for the 2019 year as the first year of the nine year contract phase out.

REQUIRED APPLICATION DOCUMENTS:

- (a) Assessor's Parcel Number
- (b) Copy of the most current Grant Deed.
- (c) Legal Description of the property proposed for non-renewal prepared as an Exhibit for recording.
- (c) Signatures of all property owners on page 5 of this application.
- (d) Phone number and address of the primary contact person.

DOCUMENT RETURN DEADLINE: Properly signed and notarized Notice's must be returned by the property owner(s) to the Kings County Community Development Agency to ensure proper recording.

APPLICATION FEES: Partial Non- Renewal or Non-renewal: \$ 331.00

**Note:** Many of the Ag Preserve Contracts have multiple parcels in one contract. A partial non-renewal is used when a land owner wishes to file a notice of non-renewal on only one or more of the parcels in a multiple parcel contract. We recommend that you contact our office to verify whether your intended parcels represent an entire contract or only a portion of one.
