

Household Hazardous Waste

For Kings County Residents Only - NO Commercial Businesses

5 GALLON LIMIT

The first Saturday of every month from 9am to 2pm

Basically any liquid, cream or gel chemical is Household Hazardous Waste or HHW. Thousands of common household, automotive, lawn, garden, hobby, cosmetic and home improvement products are toxic. Products such as paints, cleaners, oils and pesticides that contain potentially hazardous ingredients or chemicals require special care when you dispose of them.

KWRA Hours of Operation

Monday through Saturday 7am to 4pm

CLOSED Sundays and Holidays

Why shouldn't I throw Household Hazardous Waste in the garbage?

Household Hazardous Waste should not be thrown out with the trash. Improper handling, storage and disposal of hazardous products may cause extreme danger to recycling workers at Kings Waste & Recycling Authority, to people, pets wildlife, the water supply and to the environment.

Where can I dispose of Household Hazardous Waste?

You can bring HHW to Kings Waste & Recycling Authority on the first Saturday of every month from 9am to 2pm. This is for Kings County residents ONLY and absolutely NO businesses may dump.

There is a 5 gallon limit for each HHW Clean Up.

Where should I bring my Household Hazardous Waste or HHW?

The first Saturday of every month from 9am to 2pm
