#### Budget

Administration updated the numbers and sent an email to members for their review.

Discussion followed. Roger Bradley stated they could go back and try to make some reductions and present a different budget according to Admin's estimation if that is something the members would like to see. Potentially do a hybrid of what's been discussed where the DA is given a bit of wiggle room by adjusting the revenues upward to accommodate the position he currently has and then everybody else holds flat at the year estimated amount. Chief Zuniga asked for a motion on how the committee would like to proceed and set a date to revisit this so they don't continue deficit spending. Roger Bradley understood the request to be a motion to adjust the revenues upward to accommodate the DA's position, but hold all the other allocations flat at the 19/20 estimates. Dave Robinson added and also include Kelly Zuniga's suggestion the agencies billing actuals. Keith Fagundes stated with all the measures they would have a better projections are.

Keith Fagundes made the motion to affirm Roger's suggestion of floating the budget as is, holding fast on any vacant positions, if he worded that correctly. Roger Bradley stated yes, keeping everybody at their 19/20 estimate and bringing any internal staff that are on the books, bringing the revenues up to equal that amount for the year. Lee Burdick asked if Dave Robinson's suggestion that the motion include agencies proving their actuals and Keith Fagundes wanting it revisited in two months were a part of the motion? Keith replied yes. Lisa Lewis seconded the motion. Chief Zuniga asked for a roll call vote - **Motion unanimously passed**.
