# CAMPAIGN DISCLOSURE REPORTING REQUIREMENTS

GENERAL ELECTION  
NOVEMBER 8, 2022

## PLEASE READ CAREFULLY

The Political Reform Act imposes certain duties and obligations on candidates, officeholders, committee treasurers and others participating in the political process.

For example:

- Detailed records must be maintained for all financial activity, and contributions received for political purposes must not be commingled with personal funds.
- Campaign statements must be filed at specified times disclosing contributions received, expenditures made, and other financial information. In some cases, candidates can avoid filing long form campaign statements by submitting a "Candidate and Officeholder Campaign Statement Short Form (Form 470)."
- Campaign statements must be hand delivered or postmarked as first-class mail by the legal filing deadline date established by law. NOTE: The second pre-election statement must be filed in person or guaranteed overnight delivery. Mail which is not received by the filing officer shall be presumed not to have been sent unless the filer possesses a postal receipt establishing the date of the deposit, and the name and address of the addressee.
- The Political Reform Act provides a formula for assessing late fines of original campaign statements filed in our office. The fine is \$10 per day, starting the day after the filing deadline, until the statement is filed; however, no liability may exceed the cumulative amount of reported contributions, expenditures, of the Form 460 or \$100, whichever is greater.

Failure to submit a required statement is a misdemeanor. **Persons who fail to submit required statements are referred to the Fair Political Practices Commission.**

Unsigned forms are incomplete and are not considered filed until they are signed.

## UNSUCCESSFUL CANDIDATES

Defeated candidates must file campaign disclosure reports until the campaign committee has been terminated by filing Form 410 (see part 5).

# ELECTION RESULTS/ CANVASS

GENERAL ELECTION

NOVEMBER 8, 2022

## TABULATION OF ELECTION RESULTS

Can a candidate view all parts of the ballot counting process?

Yes, the ballot counting process is open to public observation. If you wish to observe the process, you may go to the lobby to check in and be provided with an observer's badge. Tours are available.

How/where are results available on election night?

**Website:** Results are available on the Internet at [VoteKingsCounty.com](http://VoteKingsCounty.com)

**In person:** You are welcome to come to the Central Count Location which is open for public observation. Hard copies of the election results will also be available.

Are election night results final?

No, California State law allows a specified period after the election for the completion of the official canvass. Results released on election night are semi-official.

## POST ELECTION NIGHT RESULTS

Supplemental counts of outstanding ballots will be scheduled to begin approximately 3 days after the election. These counts are conducted to get the majority of Vote-by-Mail and provisional ballots tallied during the canvass process.

Outstanding ballots include:

- Vote-by-Mail ballots
- Write-in ballots
- Provisional and Conditional ballots voted at our office and in-person voting locations

Semi-official election results are updated following a supplemental count. If a race is very close, the outcome may not be known until the canvass is complete.

## CANVASS/CERTIFICATION

Canvass is the process of reconciling Election Day data and the supplemental counting of vote-by-mail ballots turned in at the Vote Center locations, including provisionally cast and write-in ballots. The numbers of voted ballots reported by Vote Center staff and vote-by-mail ballots are matched to the computer tally. California law permits 30 days to complete the official canvass and certify the final results of the election. The law recognizes the complexity of completing the ballot count and conducting a thorough audit of the election results to ensure accuracy. Part of the canvass process is a legally required manual recount of the votes cast for all candidates and measures on the ballot in 1% of all of the voting precincts in an election. This manual process verifies the accuracy of the computer count.
