Argument in Favor of Measure __
Kings River-Hardwick School District

KINGS COUNTY ELECTIONS

Our elementary school is one of the most important assets in our community and should be our number one priority. From higher achieving students, to greater neighborhood safety, quality schools make a difference. While our teachers and staff do a great job in educating our children, many classrooms and school facilities in the Kings River-Hardwick School District are outdated and inadequate to provide students with the facilities they need to succeed. This is why our children need your **YES vote on Measure __!**

Although our school has been well maintained over the years, aging classrooms and facilities must be upgraded since many do not meet 21st century standards. Measure __ would allow the District to improve our elementary school and the quality of education provided to local children. By investing in our school, we can meet today's safety, technological, and educational standards and improve our community.

If passed, Measure __ will provide funding to make critical facility improvements at Kings River-Hardwick Elementary School by:

- Providing additional science, technology, engineering, and mathematics (STEM) labs and classrooms
- Constructing/modernizing classrooms, restrooms and school facilities
- Making health, safety and security improvements
- Constructing a new multi-use facility that would include a gym and cafeteria
- Upgrading playgrounds and playfields for school and community use

Measure __ makes financial sense and protects taxpayers.

- All funds must be spent locally and cannot be taken by the state.
- By law, spending must be reviewed and annually audited by an independent citizens' oversight committee.
- Funds can only be spent to improve our elementary school, not for teacher or administrator salaries.

Measure __ upgrades and renovates old and inadequate classrooms, improves the education of local children, and maintains the quality of our community. That's something we can all support. Please join us and **VOTE YES ON MEASURE __!**

Word Count: 297
