**Rebuttal to Argument in Favor of Measure J**

KINGS COUNTY ELECTIONS

**Stop this 12.3 Million Dollar Tax Increase!**

**THE FACTS:**

Over a decade ago West Hills Community College District 3 voters approved \$31,000,000 to issue bonds through Measure E. With no transparency and no accountability it's unclear what's been spent and what's still owed!

In 2012 Measure L was approved for another \$12,655,000 in bonds which is still being paid off with YOUR tax dollars.

In 2014 Measure T was approved for yet ANOTHER \$20,000,000 with bonds still available to be issued!

**NOW Measure J is a NEW \$12,351,139 TAX for the next 17 years!**

**This taxes district residents ANOTHER \$727,000.00 every year!**

As housing costs increase, these Bond measures inflate the cost of living like a death by a thousand cuts.

Housing costs go up! Rents will be raised!

**And the list of projects?** It's almost the SAME list as the previous measures! Has nothing been done over the last decade with millions already spent?

The proponents would have you believe this measure will "unlock" nearly \$22 million in state funds but the measure doesn't say that.

Measure J is **not** a guarantee that these projects will be completed, as stated in the fine print, and depend largely on access to **possible matching funds** but there's no guarantee!

Schools get less than half of the money your tax dollars pay. Rich Bondholders get the majority YOU SPEND!

The district has no business engaging in a **RISKY OVER LEVERAGING** of our HOMES with this MASSIVE DEBT!

**Vote NO on Measure J!**
