

West Hills Community College District
Rebuttal to the Argument Against Measure J

West Hills College Lemoore is the **single most important source of job training in our community.**

A recent report estimates that **nearly 90%** of the adult residents in our community have either taken a class or know someone who's taken a class at the college within the past few years.

Its positive impact has transformed the lives of our family members, friends and neighbors. For some, the college has provided job training in fields as diverse as nursing, technology, construction management and emergency medical services. For others, it has allowed them to enhance their current job skills or obtain additional certifications.

And for many, West Hills College Lemoore gives the families of students wanting to transfer to a four-year college the ability to save thousands of dollars—making a college degree attainable for many who otherwise could not afford it.

Our families. Our neighbors. Our businesses. Our citizens. Each and every one of us benefits from having a remarkable institution like West Hills College Lemoore within our community.

The West Hills College Lemoore campus is one of our most valuable public institutions.

Let's keep it strong. Vote Yes on Measure J.

Jamison Whiting, Principal, LMCHS

Gail Crooms, CEO, Crooms College and Career Consulting
