VII.

### STUDY SESSION

#### A. Public Works Department – Dominic Tyburski/Mitchel Cabrera

1. Receive an overview and update on County efforts for relief aid, closures, and repairs to roads damaged by the 2023 Winter Storm Events.

The Board received an update and the Chairman reopened the unscheduled appearances portion of the agenda for the public to address the board.

Laura Brown, J.G. Boswell Company discussed a map she produced showing which roads near and around the company's farmland they feel are priorities for repair before the upcoming harvest seasons.

George Wurzel, J.G. Boswell company stated that the company employs approximately 140 workers now and are currently paying stipends to some employees who must travel different roads due to the closures and flooding and would like to see the Board direct staff to repair and open priority roads before their harvest season opens.

Jason Proctor, Transportation Company stated that for the safety and economy of the Corcoran area the roads need to be repaired because there will be about 25,000 loads being hauled in the next few months.

Scott Daniels, Transportation provider stated that J.G. Boswell is a source of produce in Kings County and that his company provides transportation for them and within the next 90 days his company will have 4 or 5 million miles traveled for produce and support industries and need to have the roads repaired and open.

David Robinson, Kings County Sheriff stated that he would like to see the Board include temporary fixes to roads that have been damaged for use by safety personnel, including Sheriffs, Fire and Ambulance services. He stated that testing needs to be completed again so that staff can move forward with repairing roads for the safety of everyone in Kings County.

Dustin Fuller, Tulare Lake Drainage Storage District stated that the district has been going through the FEMA process and everyone needs to have a unified message on the losses and devastation from the floods on the roads and how it is hurting those who work and live in the area.

Dominic Tyburski, Kings County Public Works Director stated that heavy truck traffic will tear up the roads that are already damages from the flooding and he will work with staff to look at prioritizing

roads for safety and see what can be done, but is concerned anything the County does may affect FEMA funding needed for the damage the roadways and bridges within the County due to the floods.

Duane Cooper, Kings County Roads Superintendent stated that the SB Project for Avenal Cut Off Road will cost approximately \$7 Million for the first year of the project and the repairs to the roads that have been damaged by the floods will require a contractor to be hired to complete the work and the costs for repairs will have to come from the general fund money due to other projects earmarked with the existing roads funds.

Erik Urena, Kings County Department of Finance Director stated the \$5 million CDAA funds from CalOES are an advancement and will have to be paid back to CalOES when FEMA reimburses us for the event.

Kirk Gilkey, Gilkey Farms stated that he would like the County to look at repairing 10<sup>th</sup> Avenue from Pueblo to Redding to create a thoroughfare, the current roadway has safety issues due to the erosion of the shoulders and damages from the floods.

The Board discussed their concerns and which roads needed repairs along with requests heard today and directed staff to come back with costs and a roadway priority list by meeting with landowners and growers to come up with the information.

Jake Joseph, Witt O'Briens stated that advocating as a united front would help to enhance the case for requesting FEMA funds but additional testing would not help with eligibility and would not be able for reimbursement.

Dear Diane Badasci:

# Appoint Riley Jones for the Vacant Tulare Lake Reclamation District No. 761 Trustee Position

On behalf of the Sanitation Districts of Los Angeles County (Sanitation Districts), I write to encourage the Board of Supervisors to appoint Riley Jones for the vacant Tulare Lake Reclamation District No. 761 (RD 761) Trustee position. Mr. Jones has the necessary skills and experience to help manage a district that faces serious financial and administrative issues and is barely operational.

Mr. Jones has spent his entire professional career in this community, beginning in 1965 as a teacher and coach of both football and swimming at Lemoore High School. After 15 years as a teacher, Mr. Jones operated a successful newspaper business for more than a decade before selling the business. Following this Mr. Jones worked for GWF Power Systems, a privately owned energy producer, for more than 25 years in all aspects of the business, including as a Local Business Manager, Legislative Representative and Public Relations and Community Representative.

Mr. Jones also has held numerous community and voluntary positions over the course of his lifetime, which have only increased the knowledge and experience necessary to govern RD 761. These positions have included membership on the Kings County Planning Commission since 1983, Kings Economic Development Corporation, the Lemoore Chamber of Commerce, the Hanford Chamber of Commerce and as a cofounder of the Kings Industrial Group (KIG). The KIG was an organization originally founded to represent certain local industries in a single industrial park. Due to its success, it was subsequently expanded to include all industries in Kings County, including agriculture. It was eventually absorbed into the structure of the Kings Economic Development Corporation.

We at the Sanitation Districts have first-hand knowledge of Riley's expertise and abilities. He has ably supported us in our efforts to be good community citizens and partners in Kings County. Most recently, Riley acted as a local contact for the Sanitation Districts as the Tulare Lake community faced significant challenges due to flooding.

RD 761 is in need of someone like Mr. Jones. RD 761 faces serious issues and has not met the goals of a public agency to operate transparently and in the best interests of all of its members. RD 761 has not produced a budget in decades, and does not have the funds necessary to hold a special election to fill the vacant Trustee position, let alone the financial resources to perform the necessary functions of a reclamation district. Mr. Jones is the only candidate with the appropriate business and management skills and experience to bring about the necessary changes that RD 761 so clearly needs.

Very truly yours,

Ajay *M. Malif* Ajay M. Malík

# AGENDA ITEM March 19, 2024

# **<u>SUBMITTED BY</u>**: Fire Department – Salvador Flores/Matthew SanFilippo

# **<u>SUBJECT:</u>** TRANSFER OF FUNDS

# **SUMMARY:**

# **Overview:**

The Fire Department is requesting approval to increase the fiscal year 2023-24 allocation in Capital Asset due to the purchase of two Type 1 fire apparatus that were approved and initiated in fiscal year 2022-23 but occurred in fiscal year 2023-24.

# **Recommendation:**

- a. Approve the budget adjustment for the Fire Department for the purchase of two Type 1 fire apparatus;
- **b.** Adopt the budget change. (4/5 vote required)

# **Fiscal Impact:**

There is no impact to the General Fund. Appropriations to purchase the two Type 1 fire apparatus were included in the fiscal year 2022-23 budget via a Board-approved budget adjustment in June 2023. However, the fiscal transaction of the purchase occurred shortly thereafter in fiscal year 2023-24. Appropriations for Capital Assets in fiscal year 2023-24 did not account for the purchase of these apparatus. The purchase of the two vehicles was funded from California Emergency Services (CalOES) pass-through funding that was awarded to the Fire Department from the State Budget process and accounted for in the Fire Fund.

# **BACKGROUND:**

On June 27, 2023, the Board approved the Fire Department to purchase two Type 1 fire apparatus to replace two 1996 E-1 pumping apparatus, totaling \$1,725,217. The budget for fiscal year 2022-23 was adjusted as a result to account for this purchase. However, the purchase occurred in fiscal year 2023-24 and was not accrued back to fiscal year 2022-23. Appropriations in fiscal year 2023-24 are not sufficient to account for the purchase of the previously approved fire apparatus, therefore, fiscal year 2023-24 appropriations need to be adjusted.

# Agenda Item HOMELESS HOUSING, ASSISTANCE, AND PREVENTION PROGRAM ROUND FIVE GRANT APPLICATION March 19, 2024 Page 2 of 3

Five award allocation for Kings County is \$575,303. All HHAP Round Five grant funds must be expended by June 30, 2028. This funding may be used as a match for federal funds as long as the purposes of the projects meet the basic requirements of the HHAP grant. There are sufficient appropriations in the Fiscal Year (FY) 2024-25 Requested Budget.

# **BACKGROUND:**

The program is administered by Cal ICH in the Business Consumer Services and Housing Agency. On January 12, 2024, the Cal ICH released the HHAP Round Five allocation and the agreement to apply; the full application is to be submitted by March 27, 2024. HHAP Round Five is authorized by Assembly Bill (AB) 129 (Committee on budget, Chapter 40 Statutes of 2023; Health and Safety Code 50230), which was signed into law by Governor Newsom on July 10, 2023. HHAP Round Five is a \$1 billion grant that provides local jurisdictions, including federally recognized tribal governments, with flexible funding to continue efforts to improve regional and systems coordination to prevent and end homelessness in their communities. This non-competitive funding is available to cities, counties, and Continuums of Care (CoC) for which Kings County has been allocated \$575,303 to support a regional response to reduce and end homelessness.

The purpose of this program is to provide jurisdictions with one-time funds to support regional coordination and expand local capacity to address their immediate homelessness challenges informed by best practice framework focused on moving homeless individuals and families into permanent housing and supporting the efforts of those individuals and families to maintain their permanent housing. HHAP Round Five is intended to sustain existing federal, state, and local investments towards long-term sustainability of housing and supportive services.

HSA is requesting Board approval to enter into an Interagency Agreement with KTHA, the bi-county CoC. An executed memorandum of understanding or interagency agreement is a mandatory requirement to receive HHAP Round Five funds. The purpose of the agreement is to delineate the roles and responsibilities for KTHA and HSA, committing each to participate in and comply with the Regionally Coordinated Homelessness Action Plan, which was presented to the Board on June 7, 2022.

HSA is requesting Board authorization to apply for HHAP Round Five grant funds and approval for the HSA Director to sign and submit all required documents for HHAP Round Five. HHAP Round Five will be used to assist in addressing immediate homelessness challenges. Eligible uses of funding include the following:

- Delivery of permanent housing and innovative housing solutions such as acquisition, maintenance, improvement of land and buildings being used as permanent housing, and services for people in permanent housing programs.
- Rapid rehousing such as rental subsidies, and landlord incentives such as security deposits and holding fees.
- Prevention and shelter diversion such as homelessness prevention through rental assistance and rapid rehousing.
- Operating subsidies for permanent housing, including operating costs for programs such as Homekey.
- Operating subsidies for interim housing, including subsidies that support ongoing operation and availability of existing interim housing.
- Interim housing such as acquisition, maintenance of land and buildings being used as interim housing.

# Agenda Item HOMELESS HOUSING, ASSISTANCE, AND PREVENTION PROGRAM ROUND FIVE GRANT APPLICATION March 19, 2024 Page 3 of 3

- Navigation centers that are low barrier services provided to people in interim housing.
- Improvement to existing interim housing such as maintenance of an interim housing facility.
- Street outreach to assist persons experiencing homelessness.
- Services coordination, which may include access to workforce, education, and training programs, or other services needed to promote housing stability in supportive housing.
- System support for activities necessary to create regional coordination, funding homeless management information systems, regional planning, and application processes.

Each year, Cal ICH releases funding opportunities, applications, allocations, and corresponding agreements for new rounds of grants. The Board has authorized HSA to apply for and accept the previous rounds of HHAP funding and authorized the Agency Director as the signature authority to submit applications and sign necessary grant documents required to secure funding. HSA submitted HHAP Round Four to the Board on July 11, 2023. The Board authorized acceptance of the HHAP Round Four grant, approved the standard agreement (Agreement No. 23-102), and designated the HSA Director as the signature authority for the standard agreement, exhibits, funding acceptance form, and reports as required by the State.

The agreement has been reviewed and approved by County Counsel as to form.

# REGIONALLY COORDINATED HOMELESSNESS ACTION PLAN AND APPLICATION TEMPLATE

HOMELESS HOUSING, ASSISTANCE AND PREVENTION PROGRAM ROUND 5 (HHAP-5)

# Purpose of this Template

The California Interagency Council on Homelessness (Cal ICH) in partnership with the Department of Housing and Community Development (HCD) is providing this optional application template, inclusive of the Regionally Coordinated Homelessness Action Plan, for use by jurisdictions seeking funding under Round 5 of the Homeless Housing, Assistance and Prevention Program (HHAP-5).

This template closely mirrors the online application portal and is intended to support the regional development and submission of information required for approval by Cal ICH as required in AB 129 (Health & Safety Code § 50230, et seq.).

This template will <u>not</u> be collected by Cal ICH nor reviewed in lieu of an official application submission. Applicants are responsible for inputting the required information into the <u>online application portal</u> and submitting the official application through the portal no later than 5:00 p.m. on March 27, 2024.

# PART III: FUNDING PLAN(S)

# Part I: Regional Identification and Contracting Information

- 1. Select the CoC Region.
- 2. Indicate which of the eligible applicants are participating in this HHAP-5 application.

# Guidance

All overlapping jurisdictions within a region must complete a Regionally Coordinated Homelessness Action Plan and submit a single regional HHAP-5 application. For purposes of HHAP-5, the term "region" refers to the geographic area served by a **county**, including all large cities and the CoC or CoCs within it. When multiple counties are served by the same CoC, those counties may choose to apply together or as separate county regions; however, multi-county regions that are served by the same CoC are encouraged to apply as one region and submit a single Regionally Coordinated Homelessness Action Plan.

Applicants may apply together and still receive and administer funds separately.

- Large Cities must apply as part of the regional application <u>with</u> the County and CoC.
- **Counties must** apply as part of a regional application <u>with</u> the CoC and any overlapping Large Cities.
  - In a multi-county CoC: Counties are strongly encouraged to apply in collaboration with other counties that are served by the same CoC.
- A CoC that serves a single county must apply as part of the regional application with the County and any overlapping Large Cities.
- <u>A CoC that serves multiple counties must either</u>:
  - Apply as part of the regional application with multiple Counties and any overlapping Large Cities; and/or
  - Participate in the regional application of **each** overlapping County and the Large Cities therein.
- 3. Indicate the Administrative Entity and provide contact information for each Eligible Applicant.

# Guidance

Each eligible applicant (Large City, County, and CoC) has the discretion to receive their base allocation directly or may designate an eligible applicant in their region to serve as their Administrative Entity. This selection will indicate to Cal ICH which eligible applicant will enter into contract with the state to receive and administer each eligible applicant's HHAP-5 allocation.

The Administrative Entity is responsible for HHAP funds and meeting the terms and conditions of the contract. Broadly speaking, this means administering funds, contracting (when necessary) with sub-recipients, and reporting on HHAP-5 dollars and activities to Cal ICH.

- If you plan to contract with the state to receive and administer <u>only</u> your (single) HHAP-5 allocation, select: "Will enter into contract with the state to receive and administer their HHAP-5 allocation individually" under the contracting selection in the application.
- If you <u>do not plan to contract with the state</u> and instead plan to identify another participating eligible applicant in the region to enter into contract with the state to receive and administer your HHAP-5 allocation, select: "Identify another participating eligible applicant in their region to enter into contract with the state to receive and administer their HHAP-5 allocation" under the contracting selection in the application. You will then be prompted to designate the Administrative Entity from a list of eligible applicants in the region.
- If you plan to contract with the state to <u>receive and administer multiple HHAP-5 allocations</u> within your region, select "Will enter into contract with the state to receive and administer their HHAP-5 allocation and allocation(s) from other eligible applicants in the region" under the contracting selection in the application.

# 2.1 Participating Jurisdictions' Roles and Responsibilities

- 1. <u>First</u> identify and describe the specific roles and responsibilities of <u>each participating Eligible Applicant</u> in the region regarding:
  - a. Outreach and site coordination;
  - b. Siting and use of available land;
  - c. Development of interim and permanent housing options; and
  - d. Coordination and connection to the delivery of services for individuals experiencing or at risk of experiencing homelessness within the region.
- 2. <u>Then</u> describe and explain how all collaborating Eligible Applicants in the region are coordinating in each area.

Optional: You may also include roles and responsibilities of small jurisdictions in the region that elect to engage and collaborate on the plan.

- 1. **<u>First</u>** identify the most recent system performance measures for the region.
- 2. **Then** describe the key action(s) the region intends to take to improve each system performance measure.

# Guidance

Cal ICH shall provide each region with system performance measures by CoC, with the exception of the LA region, which will receive data from all four CoCs within LA County. Applicants must enter that data in the corresponding metrics fields in the application. Applicants should not adjust the data provided even if the geographic region of the data does not perfectly align with the participating applicant geography of this application. Regions must have **at least one** key action for **each** system performance measure. All columns must be filled out for each action.

For "Funding Type" enter Federal, State, Local, or the unique funding source type.

To add additional actions or racial equity measures, add rows to the bottom of each table.

Note: While Cal ICH expects most of the disparities listed to be based on race or ethnicity, applicants may identify other populations that are also overrepresented among people experiencing homelessness in the region.

Definitions:

- *Key Action(s)* may include a brief description of a strategic initiative or step identified to address or improve the specific system performance measure. This can be a policy, program, partnership, target metric, or any other approach which reflects an improvement and delivers positive impact. In the online application portal applicants may upload any evidence the region would like to provide regarding collaboration and/or prioritization.

Is place-based encampment resolution occurring within the region?

Yes/No

If yes, then the CoC must describe and provide evidence of collaboration with the cities or counties providing encampment resolution services that addresses how people served through encampment resolution have or will be prioritized for permanent housing within the Coordinated Entry System.

#### 2.4 Plan to Reduce the Number of People Experiencing Homelessness Upon Exiting an Institutional Setting

1. Identify and describe the Key Action(s) **each participating Eligible Applicant** will take to reduce the number of people falling into homelessness as they exit institutional settings including but not limited to jails, prisons, and hospitals.

#### Guidance

To add additional actions, add rows to the bottom of the table.

If an institution is not present in a jurisdiction, type N/A.

Definitions:

- *Key Action(s)* may include a brief description of a strategic initiative or step identified to address or improve the specific performance metric. This can be a policy, program, partnership, target metric, or any other approach which reflects an improvement and delivers positive impact. #### Guidance

A Memorandum of Understanding (MOU) must be submitted along with the application. This MOU must reflect the actions in the Regionally Coordinated Homelessness Action Plan submitted under this application, be signed by each participating eligible applicant, and commit each signatory to participate in and comply with the Regionally Coordinated Homelessness Action Plan. Smaller cities that choose to participate in the Regionally Coordinated Homelessness Action Plan may also be signatories to this MOU.

#### 2.8 Application Development Process Certification

### Part III: Funding Plan

Each **Administrative Entity** is required to submit a funding plan as part of the HHAP-5 Application. The funding plan must account for 100 percent of the HHAP-5 Base allocation(s), 100 percent of the HHAP-5 Planning allocation(s), and 100 percent of the Initial Supplemental Funding allocation(s) which the Administrative Entity will be responsible for administering.

For both the HHAP-5 base allocation and the initial \$100 million supplemental funding, individual allocations for each eligible applicant will be based on their proportionate share of the state's homeless population as reported by HUD in the 2023 PIT count. Allocation amounts will be calculated and released to all applicants once HUD publishes their 2023 Annual Homeless Assessment Report (AHAR).

Cal ICH currently anticipates providing eligible applicants with their calculated allocations by the end of January 2024. This will give applicants at least two months to finalize their HHAP-5 budgets before applications are due at the end of March. Until HHAP-5 final allocations are released, applicants should use their HHAP-4 base allocation as an approximation of their HHAP-5 allocation amount, for planning purposes.

- 1. Complete a Funding Plan for each Administrative Entity participating in this application.
  - a. Identify all Eligible Use Categories the Administrative Entity anticipates using.
  - b. Provide the **dollar amount** budgeted per eligible use category. Again, this must account for 100 percent of the HHAP-5 Allocation(s) the Administrative Entity will be responsible for administering.
  - c. Where applicable, provide the **dollar amount** that will be designated under the Youth Set-Aside from the selected eligible use categories. **Reminder: the youth set-aside must total at least 10% of all monies received.**
  - d. Provide a brief description of activities HHAP-5 funds will support in each selected eligible use category.
  - e. Provide an explanation of how the activities therein align with the state's HHAP-5 priorities to prioritize permanent housing solutions and sustain existing investments towards long-term sustainability of housing and supportive services.
- 2. Complete the New Interim Housing Certification
  - a. Indicate whether the budget proposes to support **<u>ANY</u>** new interim housing solutions <u>outside of the youth set-aside</u>.
  - b. Indicate whether the budget proposes to support new interim housing solutions for youth in excess of 10% of the total HHAP-5 Dollars budgeted.
  - c. If the Administrative Entity answers "yes" to either of the above, they will be asked to demonstrate dedicated, sufficient resources from other funding sources for long-term permanent housing solutions. This entails summarizing total available dollars for preventing and ending homelessness in the region, including the percentage of these resources dedicated to permanent and interim housing solutions, providing the status of five policy actions for each eligible applicant in the region, and demonstrating the need for additional shelter.

#### Guidance

Each Administrative Entity must submit a **single** Funding Plan that accounts for the entire HHAP-5 Allocation(s) which the Administrative Entity will be responsible for administering. This includes:

- 100 percent of the HHAP-5 Base allocation(s);
- 100 percent of the HHAP-5 Planning allocation(s); and
- 100 percent of the Initial Supplemental Funding allocation(s).

#### The youth set-aside must total at least 10% of all monies received.

Administrative costs may not exceed 7% of all monies received.

Up to 1% of all monies received may be budgeted for costs related to the Homeless Management Information System (HMIS). Related costs include HMIS licenses, training, system operating costs, and costs associated with carrying out related activities. Upon agreement between Cal ICH, the grantee, and the Homeless Management Information System lead entity, the grantee shall transfer the authorized amount of funds directly to the HMIS lead entity.

Each funding plan must include:

- Identification of all Eligible Use Categories the Administrative Entity anticipates using
- **Dollar amount** budgeted per eligible use category. Again, this must account for 100 percent of the HHAP-5 Base allocation(s) and 100 percent of the Initial Supplemental Funding allocation(s) which the Administrative Entity will be responsible for administering.
  - If applicable, **dollar amount** from the selected eligible use category that will be designated under the Youth Set-Aside. **Reminder: the youth set-aside must total at least 10% of all monies received.**
  - Administrative costs <u>may not exceed 7%</u> of all monies received.
  - Applicants may budget <u>up to 1%</u> for costs related to the Homeless Management Information System (HMIS). Related costs include HMIS licenses, training, system operating costs, and costs associated with carrying out related activities. Upon agreement between Cal ICH, the grantee, and the Homeless Management Information System lead entity, the grantee shall transfer the authorized amount of funds directly to the HMIS lead entity.
- A brief description of activities HHAP-5 funds will support in each selected eligible use category.
- An explanation of how the activities therein align with the state's HHAP-5 priority to sustain existing investments towards long-term sustainability of housing and supportive services and prioritize permanent housing solutions.
- Certification that the Administrative Entity does not intend to support new interim housing solutions using HHAP-5 funds.
  - If an Administrative Entity proposes to use HHAP-5 funds to support any new interim housing solutions outside of the youth set-aside and/or interim housing for youth in excess of 10% of the total HHAP-5 allocation, <u>the region</u> will be asked to demonstrate how it has dedicated sufficient resources from other funding sources to long-term permanent housing solutions and the need for new interim housing.
  - *Reminder: per HSC section 50230(v) "region" means the geographic area served by a county, including all cities and CoCs within it. For the LA region, this means all eligible applicants within the County of LA.*

To add another funding plan for an additional Administrative Entity, copy the entire funding plan section (including the "New Interim Housing Certification" and "Demonstrated Need" Subsections) and paste at the bottom of the template.

#### New Interim Housing Certification

Does this budget propose to support any new interim housing solutions outside of the youth set-aside?

Yes/No

Does this budget propose to support new interim housing solutions for youth in excess of 10% of the total HHAP-5 Dollars budgeted?

Yes/No

If yes to <u>either</u> of the above questions, identify **the region and Eligible Applicants in the region**. Then, respond to all of the below prompts under Demonstration of Dedicated, Sufficient Resources for Permanent Housing. In reviewing whether a region has dedicated sufficient resources from other sources to long term permanent housing solutions, Cal ICH will evaluate financial

resources and policy actions related to reducing and ending homelessness, as well as demonstrated need for additional interim housing.

#### Demonstration of Dedicated, Sufficient Resources for Permanent Housing

Applicants must respond to this section **when** they have responded "Yes" to either of the questions under "New interim Housing Certification". At a minimum, this section must reflect all eligible applicants in the region where the eligible applicant is proposing to fund new interim housing.

- 1. Identify Region and all eligible applicants in the Region.
- 2. Provide required metrics and narrative under "Status of Financial Resources"
- 3. Complete the 5 tables under "Status of Policy Actions
- 4. Provide required metrics and narrative under "Demonstrated Need"

#### Guidance

Per HSC section 50230(v) "region" means the geographic area served by a county, including all Cities and Continuums of Care within it. For the LA region this means all eligible applicants (Large Cities, CoCs, and the County) within the County of LA.

#### Region

#### **Status of Financial Resources**

Provide the following financial resource metrics for the region.

#### Guidance

Per HSC section 50230(v) "region" means the geographic area served by a county, including all Cities and Continuums of Care within it. For the LA region this means all eligible applicants (Large Cities, CoCs, and the County) within the County of LA.

• For Single County CoCs and the LA region: the application is already aligned with the "region" definition. Therefore, the first two metrics must exactly reflect the information in "<u>Plan to Utilize Local, State, and Federal Funds to End Homelessness</u>" above. In the Cognito Form, the first two metrics will automatically populate from the information provided. The applicant will need to provide the "Percent dedicated to interim housing solutions".

• For multi-county CoCs: because the participating eligible applicants may or may not exclusively align with the "region" definition, the applicant will need to assess and summarize the relevant information from the in "<u>Plan to Utilize Local, State, and Federal Funds to End Homelessness</u>" above. Here relevant information refers to the aggregate dollars available to the <u>Eligible Applicants</u> listed the tables directly above, in alignment with the "region" definition.

#### **Status of Policy Actions**

Provide a status update for each Eligible Applicant in the region on the following policy actions related to reducing and ending homelessness.

#### Guidance

Per HSC section 50230(v) "region" means the geographic area served by a county, including all Cities and Continuums of Care within it. Demonstrated need for purposes of this paragraph shall be based on the following for the region:

Number of shelter beds in the region	#

#### **Agenda Item** LOCAL TRANSPORTATION FUNDS CLAIM RESOLUTION March 19, 2024 Page 3 of 3

#### **BACKGROUND:**

The Mills-Alquist-Deddeh Act (SB 325) was enacted by the California Legislature to improve existing public transportation services and encourage regional coordination. Known as the Transportation Development Act (TDA) of 1971, this law provides funding to be allocated to transit and non-transit related purposes that comply with regional transportation plans.

The TDA established two funding sources: the LTF and the State Transit Assistance (STA) fund. Providing certain conditions are met, counties with a population under 500,000 (according to the 1970 federal census) may use the LTF for local streets and roads to conduct various construction and maintenance related projects. The STA funding can only be used for transportation planning and mass transportation purposes.

The LTF is derived from a quarter-cent of the general sales tax collected statewide. The State Board of Equalization, based on sales tax collected in each county, returns the general sales tax revenues to each county's LTF. Each county then apportions the LTF funds to each qualifying agency within the county based on population.

KCAPTA must hold at least one annual public hearing for the purpose of soliciting comments on the unmet transit needs that may exist within the jurisdiction, which might be responsible to meet by establishing or contracting for new public transportation or specialized transportation services or by expanding existing services. The definition adopted by KCAPTA by resolution for "unmet transit needs" states that such a need "at a minimum exists where local residents do not have access to private vehicles or other forms of transportation, due to age, income, or handicap, for the purpose of traveling to medical care, shopping, social/recreational activities, education/training, and employment." KCAPTA has also adopted a definition of "reasonable to meet" by resolution which contains eight criteria to be taken into consideration. It is not common for KCAPTA to find such unmet needs that reach the threshold of being reasonable to meet that would have a significant impact on funding for road projects. The fact that an identified transit need cannot be fully met based on available resources shall not be the sole reason for finding that a transit need is not reasonable to meet. Comparing unmet transit needs with the needs for street and roads is not allowable in determining transit needs that are reasonable to meet.

The funding distributed to the County (\$955,996) will go to the Road Fund and will be available for road maintenance and construction.

Because of the various timelines required to be met by KCAPTA, the cities, and the County, this resolution is being presented based on the strong assumptions that the KCAPTA governing board will find that there are no unmet transit needs which are reasonable to meet after it holds two public hearings. The first was held on February 28, 2024. Said public hearing is held by KCAPTA on behalf of the County. If changes to the funding allocations shown above are required based on comments received during the public hearings, an amendment to this resolution will be brought to the Board for consideration.

The resolution has been reviewed by County Counsel as to form.

Dear Dominic:

This letter is to advise claimants of Transportation Development Act (TDA) funds of their area apportionments of the Local Transportation Fund (LTF) for FY 2024-25.

The estimate of funds available for apportionment is provided by the Kings County Auditor and is apportioned based on population percentages of each jurisdiction, from the most current Department of Finance population estimate.

Attached is a summary of the "Estimated FY 2024-25 Transportation Development Act Shares". Please note that the population percentages will be adjusted when the Department of Finance estimates are released on May 1st. Minor adjustments are also expected as the final budgets for KCAG and Kings County Area Public Transit Agency (KCAPTA) are adopted.

Provided are claim forms for Article 3 and Article 8 funds and a copy of KCAG Resolution No. 224 describing the procedure for the submission of claims. All required attachments must be submitted with your Article 3 and Article 8 claims. Please note the requirement to conduct a public hearing for the purpose of soliciting comments on any unmet transit needs that may exist within your jurisdiction. KCAPTA will conduct public hearings on your agency's behalf on February 28 and March 27, 2024. A copy of KCAG Resolution No. 99-06 describing the definitions of "unmet transit needs" and "reasonable to meet" is also included.

#### AGENDA ITEM March 19, 2024

#### **<u>SUBMITTED BY</u>**: Sheriff's Office – David Robinson

#### **<u>SUBJECT:</u>** AGREEMENT WITH TRINITY SERVICES GROUP, INC.

#### **SUMMARY:**

#### **Overview:**

The Kings County Sheriff's Office requests approval of an agreement with Trinity Services Group, Inc. (Trinity) for food services for the Kings County Jail and Kings County Juvenile Center.

#### **Recommendation:**

Approve the agreement with Trinity Services Group, Incorporated for food services for the Kings County Jail and Kings County Juvenile Center retroactively effective from March 18, 2024 through March 17, 2026.

#### **Fiscal Impact:**

The total cost of this agreement will be paid from the Jail Kitchen budget in Budget Unit 223040. The cost is based on a price per meal scale in accordance with the incarcerated person population. Currently, the average cost per meal for incarcerated adults is \$3.63 and the average cost per incarcerated juvenile is \$2.82. With the new agreement, the average cost per meal for an incarcerated adult is estimated to be \$1.60 and the average cost per incarcerated juvenile is estimated to be \$1.60 and the average cost per incarcerated juvenile is estimated to be \$1.90. The Fiscal Year 2024-25 Request Budget allocation in Budget Unit 223040 for this agreement is \$1,100,000.

#### **BACKGROUND:**

The Kings County Sheriff's Office requests to enter into an agreement with Trinity for food services within the Kings County Jail. Trinity will consult with the County and provide a standard menu, religious meal menus, and medical diet menus designed and approved by a Registered Dietitian. The agreement also includes purchasing and supplying food, assisting with inventory, and providing training for kitchen staff in the areas of product sourcing and ordering, production planning, portion control and leftover utilization, recipe use, and

required food safety training. Vocational Ascend training will also be provided for incarcerated workers and they will be trained in equipment use, recipe use, portion control, and safety. A full time Trinity site manager will be assigned to the facility to assist kitchen staff with the implementation of the program and to provide ongoing support and training.

Price per meal is based on a sliding scale in accordance with the incarcerated person population and will include basic cleaning and ware washing chemicals. It is expected that this contract will result in cost savings to the County as Trinity utilizes an established network of approved suppliers that will allow for a more cost-effective ordering process. It will also save the County money because currently the Kings County Jail must have the menus reviewed by a Dietician twice a year at an extra cost. The Dietician will now be provided in the cost of the agreement.

The agreement will begin March 18<sup>th</sup>, 2024, and will remain in effect until March 17<sup>th</sup>, 2026. The agreement is retroactive due to the time needed to complete the agreement and wanting to start services as soon as possible. Upon expiration of the initial term, the agreement may be extended by mutual consent for two additional one-year terms.

The agreement has been reviewed and approved by County Counsel as to form.

Agreement No. \_\_\_\_\_

#### COUNTY OF KINGS AGREEMENT FOR SERVICES

THIS AGREEMENT is made and entered into on March 18, 2024, by and between the County of Kings, a political subdivision of the State of California ("County") and Trinity Services Group, Inc., a Florida corporation, ("Contractor") (singularly a "Party," collectively the "Parties").

#### RECITALS

WHEREAS the County requires food purchasing and dietary and food management advisory services for the County's correctional facilities; and

WHEREAS, Contractor is ready, willing, able, and qualified to perform such services.

NOW, THEREFORE, the Parties agree as follows:

#### 1. SCOPE OF SERVICES

The County engages Contractor and Contractor shall do, perform, and carry out the services as set forth in **Exhibit A**.

#### 2. **RESPONSIBILITIES OF CONTRACTOR**

Contractor possesses the requisite skills necessary to perform the work under this Agreement and the County relies upon such skills. Contractor shall, at all times utilizing its ability, experience, and talent, to faithfully, industriously, and professionally perform the work set forth in **Exhibit A** to the County's reasonable satisfaction. The County's acceptance of Contractor's work does not constitute a release of Contractor from its professional responsibility.

Contractor affirms that it possesses current valid appropriate licensure, including, but not limited to, driver's license, professional license, certificate of tax-exempt status, or permits, as required to perform the work under this Agreement.

#### 3. COMPENSATION

County shall pay Contractor in accordance with the attached **Exhibit B**. Contractor is not entitled to, nor will Contractor receive any additional consideration, compensation, or other remuneration.

The County's obligation to compensate Contractor is contingent upon County's receipt of Federal and State funds. Both program activities and funding allocations are subject to immediate reduction or termination if either funding or funding authorization are reduced or terminated.

Upon approval of County, County shall pay Contractor, monthly in arrears, up to the maximum amount reflected in **Exhibit B**, within thirty (30) days of receipt of timely invoices. Contractor shall submit invoices to County describing the services rendered, to whom, the date(s) of service and the charges in a form approved by the County. Invoices must be documented in such reasonable detail as required by the County's Auditor to determine the funds were expended for the intended purposes. Contractor shall support its costs by properly executed payrolls, time records, attendance records, billing statements, contracts, detailed ledgers, vouchers, orders, or any other documents pertaining in whole or in part to this Agreement.

#### 4. TERM

This Agreement commences on the March 18th, 2024, and terminates on March 17th, 2026, unless otherwise terminated in accordance with its terms. This Agreement may be extended by mutual consent of the Parties for two (2), One (1) Year terms.

#### 5. RECORDS AND INSPECTIONS

Contractor shall maintain full, complete, and accurate records with respect to all matters covered under this Agreement. Contractor shall: a) prepare all records in accordance with generally accepted accounting procedures; b) clearly identify the records; c) keep said records readily accessible; and d) maintain the records for three (3) years after the termination of this Agreement. County shall have free access during normal work hours to such records and the right to examine, inspect, copy, or audit them, at no cost to County.

#### 6. AMENDMENTS

The Parties may modify this Agreement only by a written amendment signed by the Contractor and the County's Board of Supervisors ("Board") or other representative as authorized by the Board.

#### 7. TERMINATION

The right to terminate this Agreement may be exercised without prejudice to any other right or remedy to which the terminating Party may be entitled at law or under this Agreement.

A. <u>Without Cause</u>. Either Party may terminate this Agreement without cause by giving the other Party thirty (30) calendar days' written notice of its intention to terminate pursuant to this provision, specifying the date of termination. If the County's funding for services

under this Agreement becomes unavailable, the County may terminate this Agreement effective immediately.

B. <u>With Cause.</u> This Agreement may be terminated by either Party should the other Party materially breach its duties or responsibilities hereunder. Upon determining a material breach has occurred, the non-breaching Party shall provide written notice to the breaching Party of its intention to terminate this Agreement and inform the breaching Party whether the breach is able to be cured or not.

1) <u>Breach Subject to Cure.</u> Unless otherwise specifically noted in the Notice of Breach, all Notices of Breach shall be deemed subject to this provision. If the nonbreaching Party deems the breach of a nature subject to cure, said Party shall allow the breaching Party a period of at least ten (10) calendar days to cure the breach. If the breach is not remedied within the period specified in the Notice of Breach, the non-breaching Party may terminate the Agreement upon further written notice specifying the date of termination.

a. In the event the nature of the breach requires more time than allowed in the Notice of Breach to cure, the breaching Party may submit a written proposal to the non-breaching Party within that period, setting forth a specific plan to remedy the breach and the date certain for completion. If the nonbreaching Party assents to the proposed plan in writing, the breaching Party shall immediately commence curing the breach. If the breaching Party fails to cure the breach within said period, the non-breaching Party may terminate this Agreement: i) immediately; ii) on the date specified in the Notice of Breach; or iii) grant the breaching Party additional time to cure.

b. Alternatively, the County may elect to cure the breach and Contractor shall bear all expenses incurred by the County in curing the breach.

2) <u>Breach Not Subject to Cure</u>. If the non-breaching Party deems the breach is of such a nature as it is not subject to or is incapable of being cured, it shall provide a Notice of Breach to the breaching Party of its intent to terminate this Agreement, in which it shall include a date upon which the Agreement terminates.

C. <u>Effects of Termination</u>. Termination of this Agreement shall not terminate Contractor's obligations or liability to the County for damages sustained by the County because of the Contractor's breach, nor the Contractor's duty to indemnify, maintain and make available any records pertaining to this Agreement, cooperate with any audit, be subject to offset, or make any reports of pre-termination contract activities.

D. <u>No Waiver of Breach or Breach by Forbearance</u>. In no event will either Parties' act of forbearance regarding previous acts by the other Party: i) constitute a breach or breach of the Party's obligations under this Agreement; ii) waive a Party's right to assert breach or breach; nor iii) impair or prejudice any remedy available to the non-breaching Party.

#### 8. INSURANCE

A. <u>Requirement to Obtain, Maintain, and Deliver Proof of Insurance.</u> Without limiting the County's right of indemnification from Contractor or any third parties, Contractor shall purchase and maintain the insurance policies described below (the "Insurance Policy(ies)") prior to the commencement of work or execution of this Agreement. Contractor shall maintain the Insurance Policies throughout the term of this Agreement.

B. Contractor shall deliver an Endorsed Additional Insured page from

Contractor's insurance carrier to the County guaranteeing said coverage to the County prior to work commencing. Contractor shall deliver proof of insurance and all endorsements in accordance with this Agreement's Notice Section. Failure to obtain, maintain, or provide the Insurance Policies or proof of the same is a material breach of this Agreement and may result in the immediate suspension or termination of this Agreement for cause, in addition to any other remedies the County may have under the law.

C. <u>Endorsement of Policies</u>. Contractor shall cause each of the Insurance Policies to be endorsed designating the County and its Board members, officials, officers, employees, and agents as additional insureds, using ISO form CG 20 26 or an alternate form that is at least as broad as form CG 20 26, as to any liability arising from the performance of this Agreement.

D. <u>Insurance Limits</u>. Contractor shall obtain the Insurance Policies in the amounts set forth below:

1. <u>Commercial General Liability</u> covering bodily injury, personal injury, and property damage with minimum limits of Two Million Dollars (\$2,000,000) per occurrence and Five Million Dollars (\$5,000,000) annual aggregate.
