Subject: Thank you

Good afternoon, Board of Supervisors and Kyria -

I hope this email finds you doing well.

It has been a pleasure and a privilege to have worked with all of you over the past four+ years. While you have chosen a different path, we feel fortunate that we will continue to be working with Kings County with the Sheriff's Office and Fire Department, along with the other cities we represent in Kings County. We are also very pleased with what we were able to achieve during our short time representing Kings County. Below is a list of our successes we were able to accomplish with direction and support of the elected officers and staff:

\$8M Kettleman City Pedestrian Bridge *
\$7M Corcoran Gateway Park Prop 68
\$7M Kings County Sheriff's Office *
\$5.7M Corcoran Police Station
\$3M Lemoore Public Safety Dispatch
\$2M Avenal Community Center
\$2M Corcoran Water Treatment Facility
\$1.5M Corcoran Water Well
\$1M Kings County/KCAO Food Bank *
\$1M Avenal Veteran's Hall
\$680K Avenal COPS
\$650K Kings County Gang & Narcotics Task Force *
\$240K Avenal Emergency Ops Center
\$125K Corcoran COPS

Total: \$39,895,000

*** Total Direct to Kings County: \$16,650,000**

Of course, this does not include the work we did as lead negotiator for the Courthouse in Avenal, which reflects a savings of nearly \$500K. We were also prepared to work on funds in excess of \$1M to update the ADA requirements . As I'm sure you know, we have represented every City within Kings County at one time or another and during that

time CrisCom also worked on various Economic Development projects bringing four national retailers to the City of Corcoran and the Arco Gas Station to the City of Lemoore. We continue to work with Corcoran and Avenal in many areas, including Economic Development.

I'm sure our paths will be crossing in the near future, as we look forward to working with the Sheriff's Office and Fire Department.

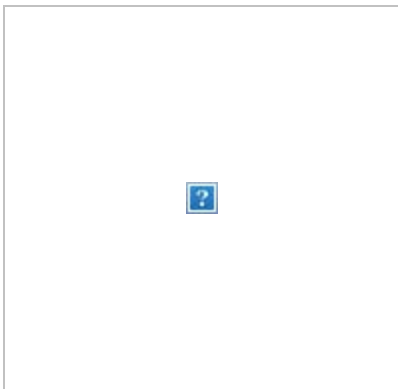

Thank you again.

Warm regards,

Renée

Rose Mary Rahn
Kings County Department of Public Health, Director/
Kings County Children & Families Commission, Executive Director
330 Campus Drive
Hanford, CA 93230

Dear Mrs. Rahn,

I am writing this letter to oppose the title change of my current position from First 5 Program Officer to First 5 Program Manager, as well as the recommendation to keep my salary range at 236.5, while my peers, Behavioral Health (BH) Program Manager and Public Health (PH) Program Manager, are being recommended a salary range increase to 250.5.

The First 5 Program Officer is a unique title for First 5 programs and given that most First 5 agencies are independent organizations, it appears several inequitable positions were chosen to compare to my current position. One of the positions that was used for comparison is a Confidential Assistant, AKA Human Resources Specialist, whose education & experience requirements are 1 year of clerical experience and an associate's degree or 3 years of clerical experience. The position equivalent in Tulare County is the Chief Program Officer, not the Program Officer position. In Kings County, the First 5 Program Officer performs duties similar to those of a First 5 Executive Director, except for signature authority and the ability to enter into contracts under a certain amount.

I compared the BH and PH Program Manager to my current job description, and aside from those duties, I am also responsible for ensuring coordination of Commission meetings, preparation of agenda, minutes and other documents, gathering and preparing documentation for the annual Audit, reviewing and proposing updates to the Strategic Plan, developing and monitoring a Department budget (First 5 is its own department, not just program), and other First 5-specific duties.

Aside from my duties to the Commission, as a manager under Public Health, I am assisting with Public Health Accreditation, and have been asked to also take on new projects related to outside grants.

Should the decision remain that my title be changed to First 5 Program Manager, I respectfully request that it be recommended for my salary range be set at 250.5, and if that is not possible, I respectfully request a lateral promotion to Public Health Program Manager.

It should also be noted that the Commission contracts with the County for administrative functions, including Personnel, and the Commission should be able to weigh in on this change, and respond to the County of Kings' proposal to change the position title and the lack of change of the salary of the staff assigned to the Commission.

Sincerely,

Clarissa Ravelo
First 5 Program Officer

From: [Analy Martinez](#)
To: [BOS Questions](#)
Subject: PUBLIC COMMENT - Consent Item D
Date: Monday, June 24, 2024 5:15:50 PM

My name is Analy Martinez. I am submitting public comment in writing to the Board of Supervisors. I served as a Program Officer and Senior Program Officer for First 5 Kern from 2017-2023. I worked along side Clarissa Ravelo, F5 Kings Program Officer at the state, regional, and local level. In 2022 I had the privilege of being selected for the F5 Association Leadership Cohort along with Clarissa and a group of other folks representing First 5's across California.

In support of Clarissa's significant concerns, I am expressing opposition to the proposed recommendation of reclassification and staff title changes, specifically related to that of Program Officer for First 5 Kings County.

Through my experience as First 5 Program Officer and Senior Program Officer, I share with you that the First 5 Program Officer position is unique to the ecosystem of First 5. A Program Officer functions as a high level employee with a multitude of responsibilities such as program oversight, program management, integration of programs and systems of care. This includes a holistic understanding of contract management (e.g., fiscal, data, program, etc) and alignment. For example, during my role as Program Officer my responsibilities include programs at the state level, regional (multi-counties), and county-wide programs. Understanding the broader picture of how local F5 Commissions align with the F5CA and F5 Association Strategic Plans requires a level of engagement that is beyond the responsibilities of a County Program Manager. The Program Officer must be familiar with the Strategic Plans of the larger state system of First 5 California along with the local F5 Stratgic Plan and Kings County priorities. The role of a First 5 Program Officer is unique as they provide funding oversight, program guidance, and resources to local organizations that are implementing the work to narrow the gaps of services at the local level. Therefore, the Program Officer position requires a high level of understanding of the statewide purpose and the oversight of the public funds allocated to the local county.

Making a recommendation to lump the Program Officer position into a category with a pay scale that does not align with the level of responsibilities is inequitable. I invite you to reconsider and take a deep dive into the day to day responsibilities that are under the umbrella of the First 5 Kings County Program Officer role before making a decision. The significant Program Officer responsibilities include being accountable to and steering the First 5 Kings County Commission to best serve Children and Families.

Please feel free to contact me with any questions.

Sincerely,
Analy Martinez (She, Her, Ella)
