

Types of Statements

Assuming Office Statement:

If you are a newly appointed official or are newly employed in a position designated, or that will be designated, in a state or local agency's conflict of interest code, your assuming office date is the date you were sworn in or otherwise authorized to serve in the position. If you are a newly elected official, your assuming office date is the date you were sworn in.

- Report: Investments, interests in real property, and business positions held on the date you assumed the office or position must be reported. In addition, income (including loans, gifts, and travel payments) received during the 12 months prior to the date you assumed the office or position.

For positions subject to confirmation by the State Senate or the Commission on Judicial Appointments, your assuming office date is the date you were appointed or nominated to the position.

- Example: Maria Lopez was nominated by the Governor to serve on a state agency board that is subject to state Senate confirmation. The assuming office date is the date Maria's nomination is submitted to the Senate. Maria must report investments, interests in real property, and business positions she holds on that date, and income (including loans, gifts, and travel payments) received during the 12 months prior to that date.

If your office or position has been added to a newly adopted or newly amended conflict of interest code, use the effective date of the code or amendment, whichever is applicable.

- Report: Investments, interests in real property, and business positions held on the effective date of the code or amendment must be reported. In addition, income (including loans, gifts, and travel payments) received during the 12 months prior to the effective date of the code or amendment.

Annual Statement:

Generally, the period covered is January 1, 2021, through December 31, 2021. If the period covered by the statement is different than January 1, 2021, through December 31, 2021, (for example, you assumed office between October 1, 2020, and December 31, 2020 or you are combining statements), you must specify the period covered.

- Investments, interests in real property, business positions held, and income (including loans, gifts, and travel payments) received during the period covered by the statement must be reported. Do not change the preprinted dates on Schedules A-1, A-2, and B unless you are required to report the acquisition or disposition of an interest that did not occur in 2021.

- If your disclosure category changes during a reporting period, disclose under the old category until the effective date of the conflict of interest code amendment and disclose under the new disclosure category through the end of the reporting period.

Leaving Office Statement:

Generally, the period covered is January 1, 2021, through the date you stopped performing the duties of your position. If the period covered differs from January 1, 2021, through the date you stopped performing the duties of your position (for example, you assumed office between October 1, 2020, and December 31, 2020, or you are combining statements), the period covered must be specified. The reporting period can cover parts of two calendar years.

- Report: Investments, interests in real property, business positions held, and income (including loans, gifts, and travel payments) received during the period covered by the statement. Do not change the preprinted dates on Schedules A-1, A-2, and B unless you are required to report the acquisition or disposition of an interest that did not occur in 2021.

Candidate Statement:

If you are filing a statement in connection with your candidacy for state or local office, investments, interests in real property, and business positions held on the date of filing your declaration of candidacy must be reported. In addition, income (including loans, gifts, and travel payments) received during the 12 months prior to the date of filing your declaration of candidacy is reportable. Do not change the preprinted dates on Schedules A-1, A-2, and B.

Candidates running for local elective offices (e.g., county sheriffs, city clerks, school board trustees, or water district board members) must file candidate statements, as required by the conflict of interest code for the elected position. The code may be obtained from the agency of the elected position.

Amendments:

If you discover errors or omissions on any statement, file an amendment as soon as possible. You are only required to amend the schedule that needs to be revised; it is not necessary to refile the entire form. Obtain amendment schedules from the FPPC website at www.fppc.ca.gov.

Note: Once you file your statement, you may not withdraw it. All changes must be noted on amendment schedules.

Expanded Statement:

If you hold multiple positions subject to reporting requirements, you may be able to file an expanded statement for each position, rather than a separate and distinct statement for each position. The expanded statement must cover all reportable interests for all jurisdictions and list all positions for which it is filed. The rules and processes governing the filing of an expanded statement are set forth in Regulation 18723.1.
