By adopting Resolution No. **2024- 01** by a vote of at least two-thirds vote of all members of the City Council, the City Council authorized placing this Ordinance before the voters of the City of Avenal at the **November 5, 2024** general election.

Section 1. PURPOSE. The provisions of this Ordinance are adopted to achieve the following purposes:

A. To impose a tax upon the privilege of keeping vacant each taxable commercial and residential space within the City;

Section 2. CODE ADOPTION. Chapter 5D of Title 3 of the Municipal Code of the City of Avenal is added to read in its entirety as follows:

Chapter 5D – VACANCY TAX

5D-010. SHORT TITLE AND CODIFICATION.

This Chapter shall be known as the “Vacancy Tax Ordinance,” and the tax it imposes shall be known as the “Vacancy Tax.” The City Clerk is authorized to codify this Chapter within Title 3 or any other Title of the municipal code of the City, and in so doing may re-label its numbering to be consistent with that utilized within such Title.

5D-020. FINDINGS AND PURPOSE.

(a) City’s commercial districts prioritize street-level, customer-facing businesses as a means of stimulating a bustling, pedestrian-friendly urban environment. Retail and other commercial storefronts are the building blocks of neighborhood vitality, encouraging people to stroll through City’s streets, sidewalks, parks and other open spaces, and inviting them in.

(b) City residents and visitors have an interest in preserving the vitality of commercial corridors in these districts. Vacant parcels and storefronts in otherwise vibrant commercial districts degrade the urban environment and reduce the quality of life in those neighborhoods, leading to blight and sometimes crime, particularly when storefronts and adjacent parcels remain empty or devoid of commercial activity for extended periods of time. Further, the resulting blight negatively impacts other small businesses in the area by discouraging foot traffic and eroding the character and uniqueness of the City's diverse neighborhoods and communities.

(c) Retail and other commercial vacancies may occur when property owners are performing tenant improvements for prospective tenants, while actively seeking a new commercial tenant, or following a disaster requiring wholesale rehabilitation of a structure. These temporary vacancies reflect a property owner's desire to maintain the active retail and other commercial storefront environment of City's commercial corridors and to continue contributing to the surrounding community.

(d) But in other instances, retail and other commercial vacancies occur when a property owner or landlord fails to actively market a vacant retail and other commercial storefront to viable commercial tenants and/or fails to offer the property at a reasonable rate. Retail and other commercial vacancies may persist as property owners and landlords hold storefronts off of the market for extended periods of time or refuse to offer the space for a reasonable market rate.

(e) Prolonged vacancy of residential housing not only restricts the supply of available housing units, but can also decrease economic activity in neighborhoods and leads to blight.

(f) A purpose of the Vacancy Tax is to stimulate the rehabilitation of long-term retail and other commercial and residential vacancies, and to thereby reinvigorate neighborhoods and commercial corridors, and stabilize commercial rents, allowing new businesses to open and existing businesses to thrive.

5D-030. DEFINITIONS.

Except to the extent otherwise defined in ordinance, the terms used in this Chapter shall have the meanings given to them in Title 3 of the municipal code, as amended from time to time by the City Council. For purposes of this Chapter, the following definitions shall apply:

a. (a) "Affiliate" means a person under common majority ownership or common control with any other person, whether that ownership or control is direct or indirect. An Affiliate includes but is not limited to a person that majority owns or controls any other person or a person that is majority owned or controlled by any other person.

a. (b) "Building Permit Application Period" means the period following the date that an application for a building permit for repair, rehabilitation, or construction with respect to Taxable Commercial Space in a building or structure is filed with the City through the date the building official of the City grants or denies that application, but not to exceed one (1) year. Notwithstanding the preceding sentence, if more than one building permit application is filed by or on behalf of one or more persons in the Taxpayer's Group for the same Taxable Commercial Space, the Building Permit Application Period shall mean only the applicable period following the date the first application is filed with the City by or on behalf of anyone in the Taxpayer's Group.

a. (c) "Conditional Use Application Period" means the 183-day period following the date that a complete application for a conditional use permit for use of Taxable Commercial Space is filed with the City, except that if the Planning Commission does not grant or deny that application within 183 days, then the Conditional Use Application Period shall extend to and include December 31 of the same year in which the date 183rd day occurs. Notwithstanding the preceding sentence, if more than one complete conditional use permit application is filed by or on behalf of one or more persons in the Taxpayer's Group for the same Taxable Commercial Space, the Conditional Use Application Period shall mean only the applicable period following the date when the first complete application is filed with the City by or on behalf of anyone in the Taxpayer's Group.

a. (d) "Construction Period" means the one-year period following the date when the City issues a building permit for repair, rehabilitation or construction with respect to Taxable Commercial Space in a building or structure, provided that if the City issues multiple building permits to or for the benefit of one or more persons in the Taxpayer's Group for the same Taxable Commercial Space, the one-year Construction Period shall mean only the one-year period following the issuance of the first building permit to or for the benefit of anyone in the Taxpayer's Group.

a. (e) "Disaster Period" means the two-year period following the date that Taxable Commercial Space was severely damaged and made uninhabitable or unusable due to an unexpected fire, natural disaster or other catastrophic event.

a. (f) "Frontage" means the number of linear feet of Taxable Commercial Space which is adjacent or tangent to a Public Right of Way, rounded up to the nearest foot.

a. (i) "Residential Real Estate" means real property where the primary use of or right to use the property is for the purpose of dwelling, sleeping or lodging, and such real property is owner-occupied as a primary or secondary residence, excluding each improvement thereon which is actively used as part of the business activity of accommodations. For purposes of this Chapter, "accommodations" includes hotels, motels, inns, bed-and-breakfast, hostels and other temporary dormitory facilities, and also single-family residences, multi-family residences, accessory dwelling unit, condominiums and residential apartment units which are not owner-occupied as a primary or secondary residence.

a. (j) "Taxable Commercial Space" means the ground floor area of any building, structure or unimproved parcel, or the ground floor of any portion of a building, structure or unimproved parcel, where such floor area (1) is adjacent or tangent to a Public Right of Way, (2) is located within any commercial or residential zoning district, as those districts exist on November 5, 2024 in the operative zoning ordinance of the City, and irrespective of whether those zoning districts are expanded, narrowed, re-labeled/renamed, eliminated, or otherwise modified by ordinance of the City Council subsequent to that date, and (3) is not Residential Real Estate.

a. (k) "Taxpayer's Group" with respect to each Taxable Commercial Space, means the taxpayer, any current or former co-owner or co-tenant of the taxpayer, and any Related Person or Affiliate of the taxpayer or the taxpayer's current or former co-owner or co-tenant.

b. (l) "Tax Year" means the period from January 1 through December 31.

a. (m) "Vacant" means unoccupied, or unused for any business activity licensed by the City or, in the case of residentially zoned real property, uninhabited, for more than one-hundred eighty-three (183) days, whether consecutive or nonconsecutive, in a tax year. Notwithstanding the previous sentence, a person shall not be considered to have kept a building or structure Vacant during a Building Permit Application Period, Construction Period, Disaster Period and/or Conditional Use Application Period when such period is applicable to that particular person for that particular Taxable Commercial Space. In determining whether a person has kept Vacant any Taxable Commercial Space, those days within a Building Permit Application Period, Construction Period, Disaster Period, and Conditional Use Application Period shall be disregarded when such period is applicable to that particular person for that particular Taxable Commercial Space.

5D-040. IMPOSITION OF TAX.

The transient shall pay the tax to the operator at the time the rent is paid. If the rent is paid in installments, a proportionate share of the tax shall be paid with each installment.
